Pastor's Corner

Beloved,

As we celebrate Independence Day, I want to deviate from my series on the liturgy and talk about our nation and the meaning of freedom.

Most of you know that I am a United States Veteran. I served my country proudly and would do so again. I believe in this country and what it stands for. I know that we are a country made up of human beings and so our country is fallible. We make mistakes. We too often fall prey to the predators of bigotry and greed. But because we are a free society, we will always be reminded by those prophets among us who call us to be better. Who encourage us to be the "one nation, under God" that we are called to be.

We are a nation committed to the concept of freedom. And, freedom is a commitment to the concept of truth. To believe a lie is to be a slave to the one who lies. To promulgate a lie is to seek to enslave others. Freedom is the opposite of anarchy. Anarchy is the lie that my own desires and opinions are more important than the truth. It is, in fact, the original lie spoken by the serpent to our first parents, "You shall be as gods." Or, more precisely, "You shall be your own god."

What is the truth that our country was founded upon?

"We hold these truths to be self-evident, that **all** men [and women] are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

The right to life is given by God to all persons from conception to natural death.

The right to liberty is the free will given by God to all persons in the hope that all will choose to love the God who created them and their neighbors who walk with them on this earth.

The right to happiness is the desire God gives to each person to know his Creator and to fulfill the purpose for which he was created.

This is the truth upon which this nation was founded. This is the freedom for which men and women have served and died. This is the liberty I pray we all live wisely.

Yours in Christ,
Father Ed
