To Parishioners and Visitors alike, Happy Easter!

Today, the Easter message of joy echoes through the whole world proclaiming the Good News of the Lord's Resurrection. It is the message upon which we build our lives and to which we anchor our faith and hope as Christians. During this Easter Season we joyfully give thanks to God for the many blessings bestowed on us individually and as a faith community at Guardian Angels. In the spirit of faith and hope, I wish you and your families a happy and blessed Easter.

My prayer this Easter Season is that more people will come to gather with us around the *Banquet of the Lord* at Guardian Angels Church. I invite you to reflect more deeply on the value and importance of gathering together as a people of faith. As a community, as with all families, we are a diverse and rich group that journeys together and helps one another along the way. We travel on the same road to a holy place, "a journey that is often marked by the unexpected." As I invite you, I also ask to invite your friends to join our fellowship of faith.

I thank each one of you for your commitment to Guardian Angels. Your friendship and unwavering support inspire me to face the challenges ahead with hope and confidence.

Praying for you and your families, I remain,

In God's service,

Fr. Carlito Saballo, SOLT
