OUR PARISH FAMILY WELCOMES YOU!

If you're ready to take the next step in your faith journey, we're here to help. If you're considering any of the following, please contact our Director of Evangelization, Anthony Rosselli at arosselli@olp-parish.org.

HAVE YOUR MARRIAGE SACRAMENTALIZED

Catholics who were married in a non-Catholic ceremony often don't realize that, in many cases, having their marriage sacramentalized (blessed by the Church) can be quite easy.

HAVE A CHILD BAPTIZED

The Baptism of a child is a beautiful experience for the entire family – and, it's never too late to have your child baptized!

GET CONFIRMED

Are you an adult Catholic who was baptized and received your First Communion as a child, but never received the Sacrament of Confirmation? If so, why not explore how you can receive this final Sacrament of Initiation?

EXPLORE BECOMING CATHOLIC

Are you visiting OLP as a non-Catholic? If so, welcome!
If you've ever thought about exploring the Catholic Faith, perhaps you're being called to take the next step. Contacting us to learn about the Church doesn't mean you're committing to becoming Catholic. It can just be a way to explore Catholicism as you wrestle with life's questions.

BECOME A MEMBER OF THE OLP FAMILY

If you're looking for a new parish home, we hope you've found it here at Our Lady of Peace. We're a vibrant, active, faith community and we'd love to have you. Please call our parish office or visit the website to register.

A NOTE FROM OUR PRINCIPAL - *Jim Silcott*

In F. Scott Fitzgerald's famous novel, *The Great Gatsby*, Daisy Buchanan, a rich young woman with time on her hands to contemplate such matters says, "Do you ever wait for the longest day of the year and then miss it? I always wait for the longest day of the year and then miss it!"

We are at that moment this weekend. There are more hours to do things in the daylight than at any time the rest of the year.

People have been celebrating the summer solstice for millennia. People have flocked to Stonehenge in England, the pillars of stone that were already ancient when William the Conqueror invaded England in 1066, to celebrate. "It's been a time of celebration, marking the peak of the sun's power, the abundance of nature, and the cycle of seasons. Ancient civilizations often associated it with fertility, harvests, and spiritual renewal."

Now, if you are a glass half-empty type of person, the arrival of the longest day of the year marks the decline into the shortest day of the year at the winter solstice in December. From now until then, we get two fewer minutes of sunshine each day.

The cycle of our trip around the sun each year is part of the cycle of our own lives, reminding us that "for every time there is a season." Writers and philosophers admonish us to make the most of our time when we can. *Carpe diem*, seize the day, is an oft-quoted Latin phrase. The poet Robert Herrick reminds us to "gather ye rosebuds while you may."

For me, this is a time to remind myself to recognize the blessings bestowed up on me by God. Being an educator, the summer solstice is a time in my profession where the old school year is fading, and the new one still seems far off. I can actually stop and smell those roses as I am truly blessed with an abundance of my own rich harvest.

My health is not perfect but good enough to allow me to enjoy life. There are times in the past year where my health has been less than ideal, but for now I am riding my bicycle every day and grateful for the opportunity.

My brain still functions most of the time. I am a little more forgetful than I used to be and my razor-sharp capacity for knowing everyone's names is duller with each passing year, but I am blessed with my many relationships both in the past and present. That includes both former students whom I see at random times and who quote random things I said in the classroom 40 years ago, as well as the students at Our Lady of Peace whom I still get to see during the summer at camp, or church or a soccer game.

My family keeps growing in number and size. Soon, I will celebrate the birth of my 10th grandchild. My youngest son is a recent college graduate working at Children's Hospital as he prepares to apply for medical school. My oldest grandson is beginning 8th grade this fall. I never fail to appreciate how close my family is.

God remains essential to my life. I know that it is through Him that the sun shines brightly in the sky and that I am awake and aware enough to appreciate it and all that I have. When the time comes, I don't want to meet the Lord in person and say to Him that I didn't take full advantage of the long life He has given me. I don't want to miss a thing.

SPIRITUAL COMPANIONSHIP FOR THOSE AFFECTED BY ADDICTION

We are pleased to announce that iTHIRST Spiritual Companions are available in our diocese and parishes to walk confidentially and one-to-one with families and adults who are struggling with the spiritual disease of substance use disorder.

iTHIRST is an initiative of the Missionary Servants of the Most Holy Trinity and spiritual companions have been trained and accredited through Seton Hall University to address the vital need for spiritual healing—an often overlooked aspect of traditional addiction treatment—by fostering connection, purpose, and inner peace.

Information is available on our website at www.opendoorwomensrecovery.org/ithirst. To contact us, call 614.547.9288 or send a confidential email to info.ithirstcolumbus@gmail.com.

CALL TO ACTION FOR LIFE

The bishops of Ohio have proposed legislation that would ban any and all state funding of abortion, euthanasia, execution, or any other action that intentionally ends a human life at any stage of development. This legislation will, among other things, end the death penalty in Ohio. The Ohio General Assembly is now considering this legislation. Please write, call, or email your senator and representative and urge them to support this life-protecting legislation. You can visit www.ohiocathconf.org/nodeath and click TAKE ACTION to send a prewritten letter to your legislators. Please also consider printing the letter and mailing it or emailing it to your senator and representative.
