From the Respect Life Office:

In his recent budget proposal governor Cuomo included a radical bill (S.7511) that would expand late term abortions in New York State. The bill would eliminate New York's ban on late-term abortions allowing abortion for any reason in all nine months of pregnancy, empower non-doctors to perform abortions and permit a baby born alive after an abortion to die of neglect and starvation. The enacted state budget requires three-way negotiation and must be finalized by April 1. The State Senate is our only hope to stop this tragedy. Please let your State Senator know that they must not allow the state budget to be used as a vehicle for expanding late term abortion.

For ease of communication in contacting your Senator, go to www.nyscatholic.org and click on "Take Action", which will provide a message you can send directly to your Senator.
