*This story is a beautiful icon of the faith of the Apostle Peter. In the voice of Jesus who tells him:*

*"Come!"; he recognizes the echo of the first encounter on the shore of that very lake, and right away, once again, he leaves the boat and goes toward the Teacher. And he walks on the waters! The faithful and ready response to the Lord's call always enables one to achieve extraordinary things. But Jesus himself told us that we are capable of performing miracles with our faith, faith in Him, faith in his word, faith in his voice. Peter however begins to sink the moment he looks away from Jesus and he allows himself to be overwhelmed by the hardships around him. But the Lord is always there, and when Peter calls him, Jesus saves him from danger. Peter's character, with his passion and his weaknesses, can describe our faith: ever fragile and impoverished, anxious yet victorious, Christian faith walks to meet the Risen Lord, amid the world's storms and dangers.*

- Pope Francis
