Spiritual Bite for the Soul

Living in Christ

Our lives are to be lived in Christ because he leads us to the Father in heaven. Christ is the way, the truth, and the life and there is no way to get to heaven except through him. How do we live in Christ? By modeling our lives after his teachings and commandments. Christ gave us the master map through Scripture outlining precisely the path we ought to follow with our lives to get to heaven.

To help us on our path, God graces us every second of the day with strength, courage, and wisdom. When we couple God’s grace with our faith, hope, and love for Him, then, we are tapping into the fire of God’s love which conforms our lives into union with Christ.

When we are in union with Christ, we are living in Christ and become Christ to others, leading them to spiritual conversion and transformation, so that they, too, may live in Christ and attain eternal life in heaven. Living in Christ, then, is living life as Christ did to lead all souls to our Father in Heaven.

Deacon's Corner

“If we refuse the cross of the Son of God, then we are refusing to cross over onto our heavenly home and into the hands of God.” If we embrace the cross of Christ, we are embracing life, love, peace, joy, hope, and eternal life in heaven. In Christ—Dcn. Severo †
