Restore the House of God: Help Needed

This is a new addition to our bulletin. Just as we get ill, our buildings and grounds also need extra care. We consult a doctor to "fix" us, and our buildings and grounds consult us, the parishioners, to help them get fixed.

Maintenance issues arise over time due to wear and tear, natural elements, and accidents. Under this heading, we will post items that need repair and ask that you consider providing your time, talents, and skills to help "heal" our building. The parish will provide the money for materials.

This sacrificial act on your part will bring glory to God, and you will be taking ownership of your spiritual home. Thank you!
