Restore the House of God: Help Needed

Maintenance issues arise over time due to wear and tear, natural elements, and accidents. Under this heading, we will post items that need repair and ask that you consider providing your time, talents, and skills to help “heal” our building. The parish will provide the money for materials.

This sacrificial act on your part will bring glory to God, and you will be taking ownership of your spiritual home. Thank you!

Roof leaks: Need to seal the metal flashing on roof areas where the metal roof joins the stucco. There are three areas about 60 feet long needing continuous sealant.

Work Required: Tall ladder to climb roof with tube sealant, caulk gun, rags and blush to clean areas before sealing. Can be done in stages.

Please contact Deacon Severo (806-496-1114) for more information.
