TWENTY-SEVENTH SUNDAY IN ORDINARY TIME  
MARY'S MONTH OF OCTOBER

**CREATED, LOVED, REDEEMED BY GOD – AN INVITATION TO RESPECT ALL HUMAN LIFE**

Many of us may take for granted, at least sometimes, that we are *created, loved and redeemed by God*. Distracted as we are by the noise and activity of daily life, we have to take time to reflect on the universal human question: Who am I, and what am I doing here?

When our Old Testament ancestors lost their spiritual and moral bearings, God the Father sent His Son, Jesus, to take on our humanity – becoming a man - to show us the radical, total nature of God's love for all of us. His love is personal, passionate and self-giving. Jesus showed us what His Father expects from us. "This is my commandment: Love one another as I love you" (John 15:12). The active kind of love by which we will all be judged, according to the story of the Last Judgment (Matthew 25: 31-46) is that of people who feed, clothe, welcome and care for the needy and strangers. "Whatever you do for the least of my brothers and sisters, you did it for me" Jesus says and He means it literally, completely.

Even when we slip up on this, as all of us do, we must understand the absolute importance of treating everyone with great kindness, compassion and mercy. We recognize that, for example, when we help or volunteer with our parish food pantry here, and when we donate to the Bishop's Annual Appeal to help our Diocesan Catholic Charities that serves so many people who are need, and every time we volunteer and/or donate to any charitable group or help people personally, we are actually taking care of Jesus.

Our American Catholic bishops also challenge us to do something else: "The common outcry, which is justly made on behalf of human rights – for example, the right to health, to home, to work, to family, to culture – is false and illusory if *the right to life*, the most basic and fundamental right and the condition of all other human rights, is not defended with maximum determination." Talk about the value of human life and the sacredness of human dignity can be empty platitudes unless we *act* on our convictions. No good social policy, like programs to feed the hungry and shelter the homeless – as important as they are – can make up for bad policies about protecting human life itself. When we are not guaranteed the right to live, the right not to be killed, every other human right is jeopardized. Without the right to life itself, no other human right is safe.

It is up to all of us to defend the right to life by participating directly in public life, by helping to enact laws and policies that respect the lives of everyone, especially those who have no voice – unborn children, human embryos targeted for destructive research, and people who are cognitively impaired, disabled, or dying.

October is Respect Life Month in the American Catholic Church and this weekend is Respect Life Sunday. Please pray and do all you can to stand up for the life of every human being. We pray to Mary, the Mother of every person including unborn babies, to inspire us to stand up for life every day and in every way we can. Mary, our Blessed Mother, pray for us.

*God Bless, Father Herb*

**WORDS OF TITHING FROM THE PEWS:**

**From the Pastor:** Jesus even gives us His Mother, Mary, to be our Mother. And Mary loves each one of us with a mother's love. God's giving to us knows no bounds. Our gifts to Him are our humble and generous response.

**Words on tithing from the Pews:** "I saw this written outside of a church in Flemington, New Jersey. I believe it was a reference to Tithing:

Give to God what is right –  
not what is left."

Our to-do-lists can get pretty long in this back-to-school season, but Faith Direct's eGiving would give you one less thing to remember each week – no more envelopes to find and checks to write before you go to Mass. Visit [www.faithdirect.net](http://www.faithdirect.net) and use our church code: **NJ745** or call **1-866-507-8757**.

96 families are enrolled with eGiving. Our 2016 target is 125. We're getting close.

### PARTNERS IN FAITH PARISH PROJECTS #4 - NEW INTERIOR CHURCH LIGHTING

In the Diocese's 2013 *Partners In Faith* capital fundraising campaign, we committed our parish's 25% share of the money being contributed to 5 specific parish projects. This past week, we have taken care of our parish's 4th *Partners In Faith* project: New Interior Church Lighting.

Fortunately, we are able to keep the present lighting fixtures and just replace the light bulbs inside the fixtures with modern LED lighting technology that will achieve several good results: 1. More light will be shining from each fixture. 2. LED light bulbs use less electricity. (e.g. 160 watt bulbs are replacing 400 watt bulbs.) 3. LED lights should last much longer than the light bulbs we have now. That means we won't have to rent nearly as often an expensive heavy duty lift that we need now to change light bulbs because the light fixtures are so high up in the church. We have been renting the lift at least twice a year. 4. Since the LED bulbs use much less electricity, we will save some money every month on our electric bill. That's always a good idea!

This is an opportunity to again thank every family in the parish who have made a multiyear pledge or a one-time donation to *Partners In Faith*.

If you are continuing to pay your pledge, we are very grateful. Please recall that 25% of your ongoing pledge payments are returned to our parish once a year by the Diocese. Your pledge gifts are still helping our own parish projects. Thank you!

As a *Partners In Faith* update report, our parish has completed 3 of our 5 parish projects.

1. Most important of all, we have completely refinished and re-beautified the outside church walls to stop leaks and mold growth
2. The old parish truck has been replaced with a new truck.
3. New interior church lighting.

We have done some work on the rectory renovations project by improving the parish office rooms and redoing the small first floor rest room.

We have not worked yet on our very necessary church parking lot repaving project. With our Finance Committee and our Building and Grounds Committee leading us, our parish will continue working to complete our remaining projects in a financially sound way.

Your generosity makes such a big difference for us.

**Intenciones de las Misas:** Por favor, notificar a la oficina parroquial (973-334-2090) o al sacerdote (Padre Yojan) con una semana de anticipación. El donativo para las intenciones es de \$10.00.

## **Mensaje del párroco:** CREADO, AMADO, REDIMIDO POR DIOS - Una invitación a respetar TODA vida humana

Muchos de nosotros damos por hecho, al menos algunas veces, que somos *creados, amados y redimidos por Dios*. Distraídos como estamos con el ruido y la actividad de la vida cotidiana, tenemos que sacar tiempo para reflexionar en la pregunta universal humana: ¿Quién soy y qué estoy haciendo aquí?

Cuando nuestros antepasados en el Antiguo Testamento perdieron su compostura espiritual y moral, Dios el Padre envió a Su Hijo, Jesús, a que tomara nuestra humanidad - haciéndose hombre - para demostrarnos la naturaleza radical y total del amor de Dios por nosotros. Su amor es personal, apasionado y abnegado. Nos demostró lo que Dios espera de nosotros. “Este es mi mandamiento: Ámense los unos a los otros, como yo los he amado.” (Juan 15, 12) El tipo de amor activo, por el cual seremos juzgados, de acuerdo a la parábola del Juicio Final (Mateo 25, 31-46) por la cual alimentamos, vestimos, acogemos y cuidamos al necesitado y a los extraños. “Lo que hicieron por uno de mis hermanos, aun por el más pequeño, lo hicieron por mí” dice Jesús y lo dice literal y completamente.

Aún cuando fallemos en ésto, como todos hacemos, debemos entender la importancia absoluta de tratar a todos con gran amabilidad, compasión y misericordia. Reconocemos que por ejemplo, cuando ayudamos u ofrecemos nuestro tiempo voluntario en la despensa de nuestra parroquia, y cuando donamos a la Campaña Anual de Nuestro Obispo para ayudar a las Caridades Católicas de nuestra diócesis que ayudan a mucha gente que necesitan. Cada vez que ofrecemos nuestro tiempo y/o donamos a cualquier grupo caritativo o personalmente ayudamos a personas, estamos cuidando de Jesús.

Los obispos americanos nos retan que hagamos algo más: “La protesta clamorosa común, que se hace justamente a favor de los derechos humanos, por ejemplo, el derecho a la salud, hogar, trabajo, familia, cultura – es falso e ilusorio si el derecho a la vida, el derecho más básico y fundamental y la condición de todos los demás derechos humanos, no es defendida con máxima determinación. “Hablar sobre el valor de la vida humana y el carácter sagrado de la dignidad humana pueden ser tópicos vacíos si no actuamos por nuestras convicciones. Sin una buena política social, como los programas para alimentar a los hambrientos y refugio a los desamparados – tan importantes como lo son – puede compensar las malas políticas sobre la protección de la misma vida humana. Cuando no se nos garantiza el derecho a la vida, el derecho a no ser matado, todos los demás derechos humanos se ponen en peligro. Sin el derecho a la vida misma, ningún otro derecho es seguro.

Así que está en todos nosotros defender el derecho a la vida, participando directamente en la vida pública, ayudando a que se establezcan leyes y políticas que respeten la vida de todos, especialmente la de aquellos que no tienen voz – niños no nacidos, embriones humanos utilizados para investigaciones destructivas y personas cognitivamente deteriorados, incapacitados o moribundos.

Octubre es el mes del Respeto a la Vida en la Iglesia Católica Americana y este fin de semana es el Domingo de Respeto a la Vida. Por favor ore y haga todo lo que pueda por defender la vida de todo ser humano. Oramos a María, la Madre de toda persona incluyendo a los niños no nacidos, a que nos inspire en defender la vida todos los días y en la forma que nos sea posible. María, nuestra Santísima Madre, ruega por nosotros.

Dios los bendiga,

*Padre Herb*
