**MOTHER**

The Most Important Person on earth is a mother. She cannot claim the honor of having built Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral -a dwelling for an immortal soul, the tiny perfection of her baby's body. . . The angels have not been blessed with such a grace. They cannot share in God's creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator than any other creature; God joins forces with mothers in performing this act of creation... What on God's good earth is more glorious than this: to be a mother?

-Joseph Cardinal Mindszenty
