Bring food to be blessed by
Fr. Jonathan Phillips at the end of
Mass.

St. Michael Parish's education program is serving more than 350 K-12 students in our religious education program. However, our Religious Education Center is more than 60 years old, and our classrooms need renovation and updating. One of the needs our Catechists have identified is the need to replace aging chalkboards with modern whiteboards. Such a simple request, but also a costly one that cannot be fulfilled without your generosity.
