

May 23, 2022

Dear Christ the King Family,

It feels like just yesterday we were getting everything ready to welcome our students on the first day of school. Now, we are celebrating the end of a wonderful school year and sending the Class of '22 to high school.

I would like to thank our teachers, Abbie Cortopassi, Jessica Laliberte, and Emily Coate for sharing their many gifts at Christ the King. I wish you all well on your new chapter. You will be missed.

Thank you to our PTO executive committee for all of their hard work and support. Your dedication to CTK does not go unnoticed.

For the 20-21 school year, we could only have limited numbers of volunteers on campus due to the pandemic. This year, we were lucky enough to open our doors to more volunteers. We can not thank our parents, grandparents, and friends enough for all of your hard work and support. Our car line volunteers are the best in Baldwin County and made our students smile each day.

Our student bathroom renovations will begin when school is over and will be completed by August. We will also be renovating the current office.

The new school office will be dedicated by the Archbishop at the end of July. More details to come.

If you don't have a special lunch account on <https://orgsonline.com>, please make sure to open one before August. You can order lunches, t-shirts, and other CTK goodies using your special lunch account.

Don't forget to vote for CTK in the [Nappies](#) until the end of the month!

There will not be a used uniform sale this year. You can buy used uniforms or trade uniforms on the CTK Book and Uniform Exchange Facebook page. **Please do not drop old uniforms off at the office.** If you would like to check out used uniforms in Kerri's closet, please stop by the office anytime during regular office hours this summer.

**See the other attachments in this announcement regarding summer hours and social studies books.**

Have a great summer!

Many Blessings To You,

*Jackie Garlock*
