## ACT OF SPIRITUAL COMMUNION

My Jesus,  
I believe that You  
are present in the Most Holy Sacrament.  
I love You above all things,  
and I desire to receive You into my soul.  
Since I cannot at this moment  
receive You sacramentally,  
come at least spiritually into my heart.  
I embrace You as if You were already there  
and unite myself wholly to You.  
Never permit me to be separated from You.  
Amen.

## GOSPEL MEDITATION

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Using the best seeds doesn't always guarantee the best plants. An older Italian gentleman straight from Italy gave me these amazing tomato seeds that he claimed produced the best tomatoes ever grown. Without doubt, the fruit he shared with me was a testament to that fact. These tomatoes were amazing! I couldn't wait until the next growing season to plant these seeds and harvest my own tomatoes. The whole experiment ended up a failure. I did everything the gentleman said, but my fruit didn't even come close. What happened? At first I was perplexed, then some years later the light dawned. The problem wasn't the seeds, it was the soil!

You cannot sow seeds in any old place and in a haphazard way and expect them to be at their best. It doesn't work that way. Planting the seeds is the easiest part. Preparing the soil is the challenge. Tilling, mulching, enriching, and building up the nutrients are all required for good fruit. Then after the seeds are planted, more care is required in order to maintain that healthy, nutrient rich environment for those seeds to sprout, grow, and flourish. God happily sows the seeds of his Word.

*"The seed sown among thorns is the one who hears the word, but then worldly anxiety and the lure of riches choke the word and it bears no fruit. But the seed sown on rich soil is the one who hears the word and understands it, who indeed bears fruit and yields a hundred or sixty or thirtyfold."*

- Mt 13:22-23

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

©LPi

What do we do with them?

If we expect to be a passive bystander and have good fruit magically grow, we are mistaken. Bearing the good fruit of God's Word requires preparation and work. We have to cultivate the soil of our lives so that those seeds can find a proper home. This one thing alone takes a great deal of patience, time, and effort. What kind of preparation have we put into our lives so that we can be a recipient of God's seed? It takes a great deal of soul-searching and ego-checking to properly prepare. God is the ever faithful and persistent sower. If the seeds

do not bear fruit the first time, God will come back time and time again, giving it another try.

If we have created a suitable bed for sowing, then once the seed is sown, we must properly maintain them. What is our maintenance plan for the seeds of God's Word? We need not only a source for water but a watering schedule. We need to weed, aerate the soil, nurture the young plants, protect them, and provide proper nutrients. What does our spiritual maintenance plan look like? If we have done all things well, imagine what the seeds of God's Word could produce in us!

### LAS PALABRAS DE DIOS

Cada día somos bombardeados por miles de palabras. Desde el momento en que suena el despertador en la mañana, hasta el último momento del día cuando apagamos el televisor o alguien nos dice “buenas noches”, tenemos la vida llena de palabras. Algunas palabras nos traen noticias que nos deprimen. Algunas palabras nos levantan el espíritu. Muchas de las palabras que escuchamos tratan de hacernos comprar algo. Algunas palabras son hirientes. Hoy la Iglesia nos hace prestar atención a la Palabras de Dios. ¿Son las Palabras de Dios igual que las demás –parte de una corriente sin fin de palabras que fluyen por nuestro oídos todos los días? El reto hoy es permitir que las Palabras de Dios nos inspiren renovando nuestra perspectiva y actitudes para que estén en mayor consonancia con el corazón y la mente de Cristo Jesús.

### SAN ENRIQUE (972-1024)

**13 de julio**

Enrique nació en Alemania y desde pequeño fue educado por el obispo Wolfgang, quien le ayudó a abrir su conciencia respecto a los pobres y a las necesidades de otros pueblos. Años después se casó con Cunegunda de Luxemburgo, pero debido a una enfermedad renal, nunca pudieron tener hijos. A los 34 años fue nombrado rey de Alemania y como tal fue ejemplar en el cuidado de los pobres y la lucha contra la opresión, así como la construcción y renovación de los monasterios en Alemania. Su caridad fue tan grande que su cuñado, molesto porque daba todo a los pobres, organizó un golpe militar, pero fue sometido por el rey, quien les perdonó la ofensa. En el año 1014 fue coronado Emperador del Sacro Imperio Romano Germánico (Alemania, Austria, Suiza, Bélgica, Holanda y el Norte de Italia), pues tenía el cariño de la gente y la confianza del Papa. La gente apreciaba su santidad y el corazón de un gobernante que busca el bien de su pueblo. Fue canonizado en 1146 y su esposa, Santa Cunegunda, en 1200.
