

OUR PARISH – OUR FUTURE  
NUESTRA PARROQUIA – NUESTRO FUTURO  
GIÁO XỨ CHÚNG TA – TƯƠNG LAI CHÚNG TA

My Dear Fellow Parishioners,

As we begin 2022, and all the hopes we have for a better and healthier future, I want to share with the entire Parish our progress on the Capital Campaign for our new Parish Hall and Administrative Office Building.

Despite COVID, which took a major toll on all of us and continues to be worrisome, we have made excellent progress financially and in getting the necessary approvals to move the construction project forward.

Regarding construction, we hope to have our Conditional Use Permit (CUP) from the City of La Quinta around the end of April, 2022. After that, we advance to the Design and Development stage before moving to the project bidding and construction phases. Each of these steps takes an incredible amount of time and effort, and your Parish Building Committee continues to do all they can to move things forward. Thank you to all the members of that committee.

Financially, you may recall our goal is to raise \$12,000,000. At this point, we are about 73% of the way there, having pledges from 944 Parishioners totaling over \$8,800,000, and cash received of \$7,000,000.

With all that positive news, the challenging part is still ahead of us. Before we can break ground and start construction, Diocesan regulations require us to have 85% of total funds needed as cash on hand. With COVID effecting the entire economy, the project cost may well exceed our initial estimate by as much as 20%. We will not know that for sure until we bid the project, yet we wanted to inform you of this potential additional challenge.

In the coming weeks and months, we will be holding gatherings for all Parishioners to join us and see the latest plans for this desperately needed project and address any questions or concerns you have regarding it.

In the meantime, for those that are one of the 944 donors, THANK YOU!! To everyone else, please keep this project in your prayers and pray for enlightenment on how you can best financially support “Our Parish, Our Future”.

Thank you so much for all your support!

The Capital Campaign Committee.
