Dear Brothers and Sisters in Christ,

As our Lenten journey ends and we celebrate the Glory of Easter, I want to update you on “Our Parish- Our Future!”

This journey began five years ago, and we are now very close to beginning construction. The final plans were submitted to the City of La Quinta earlier this month. We now anxiously await their saying “Yes” to allow us to proceed with construction. Once that is obtained, we will move to the bidding and contract award process and then construction. Please pray for a speedy timetable for all of this.

While our journey towards construction is nearing an end, our financial journey to fund the project is not over. We are still \$2,000,000 short of the funds needed to cover 100% of the current estimated cost of the project.

So, as we rejoice in the Resurrection of Our Lord let us also pray for increased donations to make “Our Parish – Our Future!” a reality.

With Reverence and Gratitude,

Bill Poland
