IN OUR PRAYERS

Prayer for the Sick

Ever-living and ever-loving, Lord God, You are the everlasting salvation of those who believe. Hear us on behalf of all who are sick. We ask you to have mercy on them that, bodily health may be restored. We thank You and praise You through Jesus the Christ. Amen. Watch, O Lord, with those who wake, or watch, or weep tonight, and give Your angels charge over those who sleep. Tend Your sick ones, loving Lord. Rest Your weary ones. Bless Your dying ones. Soothe Your suffering ones. Pity Your afflicted ones. Shield Your joyous ones. Give strength and vigilant awareness for all Your care gives through Christ our Lord. Amen.

- Sister Mary Christa Kroening, OSB

CHRIST

Catholic Liberal Education

Christ the King Parish School is thrilled to be partnering with the Institute for Catholic Liberal Education (ICLE) at the direction of Archbishop Sample, in order to bring the Catholic intellectual tradition to life for our students. So much great work has happened over the last 3-4 years to deepen the Catholic Identity of our school and to bring students and families to a personal encounter with Christ. The next step in that work is to shift our philosophy of education at Christ the King from one of following the typical secular standards to that of Catholic Liberal Education, where God is the center of all knowledge.

Educating the whole child is the purpose of Catholic Education. A liberally educated student will know how to think and reason and will have the freedom to grasp the truth of things and to order his or her life to that Truth. By experiencing the Catholic intellectual tradition of Liberal Education, our students will become precise thinkers with nimble minds. They will have a greater mastery of language and mathematics because they will learn them in an ordered and comprehensive way where faith and learning are united.

We are excited to answer the call of Archbishop Sample and offer a Catholic Liberal Education to our students, so they will know and value what is true and good and beautiful. This three-year philosophy shift at CTK will begin next year (23-24) with a focus on History and Language, with teachers using story and literature in a more prominent and intentional way.

SECULAR EDUCATION

Ordered toward material, temporal ends

- fragmented
- industrialized focus on practical skills
- emphasis on information
- ignores the moral imagination
- one mile wide, one inch deep
- lectures + testing = passive learning
- susceptible to indoctrination

VS

CATHOLIC LIBERAL EDUCATION

Ordered toward eternal happiness

- integration of subjects, knowledge, faith
- restores meaning & purpose
- awakens wonder
- nurtures the moral imagination
- cultivates habits of rigorous thinking
- constant discussion = active learning
- develops intellectual freedom

*Janice
Donahue*

4th-5th Grade Sacramental Preparation Catechist

Janice is a cradle Catholic who has fervently believed since childhood. She answered the call to begin catechizing at the age of nineteen in Los Angeles, where she grew up. After moving to Oregon in 1979, she began catechizing at various parishes in the state before finally settling in Clackamas County. Janice has given her hands and heart into many areas of apostolate including: Alter Server Programs, Catechesis for Special Needs Families, RCIA, Cub Scouts, Communion for the Homebound, and active volunteering in the school. Today, Janice coordinates the Parish Prayer Line & Flame of Love Prayer Cenacle. She also teaches First Reconciliation and First Communion to students beyond 3rd grade. She finds no other work more satisfying than to bring the truth and joy of the Trinity to anyone, especially young people who are ready to receive and embrace all that God has in store for them! We are so blessed to have her serving here at Christ the King!
