HEALING PRAYER - ST. PADRE PIO

Heavenly Father, I thank You for loving me. I thank You for sending Your Son, our Lord Jesus Christ, to the world to save and to set me free. I trust in Your power and grace that sustain and restore me. Loving Father, touch me now with Your healing hands, for I believe that Your will is for me to be well in mind, body, soul and spirit. Cover me with the Most Precious Blood of Your Son, our Lord Jesus Christ, from the top of my head to the soles of my feet. Cast anything that should not be in me. Root out any unhealthy and abnormal cells. Open any blocked arteries or veins and rebuild and replenish any damaged areas. Remove all inflammation and cleanse any infection by the power of Jesus' Precious Blood. Let the fire of Your healing love pass through my entire body to heal and make new any diseased areas so that my body will function the way You created it to function. Touch also my mind and my emotion, even the deepest recesses of my heart. Saturate my entire being with Your presence, love, joy, and peace and draw me ever closer to You every moment of my life. And Father, fill me with Your Holy Spirit and empower me to do Your works so that my life will bring glory and honor to Your Holy Name. I ask this in the name of the Lord Jesus Christ. Amen.

ST. MONICA | HEALING
HEARTS

Dear Widows,

We're not alone. We invite you to join us to share burdens and joys; together, with the intercession of our Sorrowful Mother and St. Monica, may we find hope, love, and healing in Jesus. We are widows of St. Monica Healing Hearts, carrying our crosses. The journey is not easy; therefore, we need God's guidance and support from each other.

St. Monica Healing Hearts meets on the first Friday of the month at 11am in the parish office to recite the Chaplet of Divine Mercy, pray for each other, share stories and an occasional meal.

Seeker of Truth EDUCATING ON THE NATURE & DIGNITY OF WOMEN

This study introduces Edith Stein, one of the twentieth century saints canonized by Pope St. John Paul II. Edith was raised in a Jewish family, became an atheist and eventually converted to Catholicism. As a young German philosopher, Edith became one of the primary influencers of John Paul II's ideas about the feminine genius. Her life was a journey of continuous discovery which eventually led to her martyrdom at Auschwitz. Studying the life of Edith Stein helps women to see how God leads them every step of the way. Her faithful witness will challenge them to push past their comfort zones as they seek the truth.
