Rembrandt Harmensz. van Rijn 1606 – 1669 The rich fool 1627

In the early 17th century, a stack of books was often used as a symbol of vanity. The Hebrew letters suggest a Biblical setting. The usual interpretation of the parable is that there is no point in spending a life gathering wealth. After all, once you die money is of no use. It might even get into the hands of people who do not deserve it. It is therefore thought to be wiser to be "rich toward God."

Dear parishioners,

This week we completed the crack sealing and the re-coating of the surface of the parking lot.

The parish budget for the fiscal year 2019-2020 was presented to the pastoral council for approval last Monday. There were a few adjustments suggested to the finance council for its final approval. This budget presents the income and expenses for the past fiscal year as well.

We want to thank for your generosity. We are trying to be good stewards of your money. I want to make a few observations.

First, we want to invest more on Adult evangelization/formation, mostly by providing books to the whole parish during Advent and Lent, sponsoring faith formation groups, and very soon by bringing a Light-house Kiosk to the parish. What is it? St. Augustine Institute advertises it as “*a perfect way to offer your parishioners the widest variety of authentic catholic media*” It is a wooden display that includes CDs, books and booklets about catholic faith formation. There will be a small donation required to cover for the material on display. For those of you who would like to learn more about the catholic faith, the parish is sponsoring FORMED.ORG. Feel free to sign up to this multimedia website. We just paid \$2,066.20 for its renewal this year.

Secondly, we would like to put money in a special diocesan savings account restricted for future building repairs. Like rebuilding our parking lot. It may last for other 15-20 years. To re-build it will cost north of \$200,000.

We plan to start a fundraising campaign for Holy Cross Cemetery. Our actual annual maintain expenses are between \$15,000 and \$20,000. Our principal is currently generating only \$3,000 a year. Most of our actual income is going into its maintain, limiting our ability to build up our principal. As a result, it is underfunded by \$500,000. Please consider naming Holy cross in your future donations or even as a beneficiary in your will. We will address this issue in details in the future. There will be a Plan giving Seminar next year

to talk about donating to St. Andrew's and Holy Cross cemetery.

There are some repairs to our buildings we would like to happen soon. I will commend on those next week. May the Lord bless you and your family abundantly.

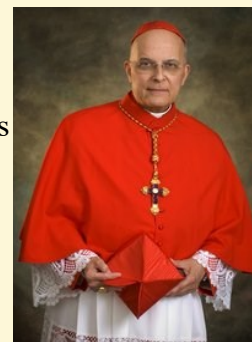

Yours in Christ,

Fr. David Jimenez

THANK YOU, To the Knights of Columbus for cooking at our Parish Picnic this year.

Many thanks to **Haley Rominger** for her years of singing and cantoring. Haley started off singing in the Jubilate choir and has continued as a frequent cantor throughout her high school years. She will be leaving soon to begin her studies in music at Arizona State University. Thank you and our prayers are with you!
