- P.L.U.S.
- MISSION IN ACTION
- RECOGNITION OF DONORS

# FROM OUR PRINCIPAL

*Dear St. Michael  
Families and Friends,*

I am excited to share this Annual Report with you as a highlight of the activities and accomplishments of our school this past year. Our accomplishments are due, in no

small part, to the outstanding support of our St. Michael Catholic School community, which includes our teachers and staff, parents, grandparents, alumni, parishioners, business partners, and friends. It is my hope that this report will help inform you of our fundraising and *friendraising* initiatives and of the ways your invested participation impacts our students and campus.

You are an integral part of our students' academic and spiritual formation at St. Michael Catholic School. Our students shared many proud moments this year, including a sold-out performance of *The Lion King*, representation at the annual Archdiocesan Elementary & Middle School Science Fair, three students placing in the University of St. Thomas' Archdiocesan-wide essay contest, second grade preparing for and celebrating their First Holy Communion, the speech team winning 1st place at the St.

Thomas High School Tournament, and a sixth grade student presenting a letter on citizenship and bullying to members of Congress. These great achievements, among numerous others, are reflective of the faith, conscience, scholarship, and service on which our students' Christ-centered education is focused. We are also extremely proud of our graduates and thrilled to welcome them to our St. Michael Catholic School Alumni society. Eighty percent of the 2018 class will attend Houston-area Catholic High Schools, including St. Agnes Academy (10); Incarnate Word Academy (3); Duchesne Academy of the Sacred Heart (1); St. John XXIII College Preparatory (1); St. Thomas High School (4); St. Pius X High School (1); and Strake Jesuit College Preparatory (19). Twelve percent will attend other private high schools that include Houston Christian and Episcopal. We wish them the very best!

As I write this, our teachers and administration are preparing for next year attending Catechism education, school safety training, and continuing education institutes and workshops. In June, two teachers attended Columbia Teacher's College for Lower School reading and writing advanced training and Middle School advanced writing. This month, seven teachers and administrators will attend Harvard's Project Zero Classroom to learn how to design curriculum and model instruction to deepen student engagement and encourage critical and creative thinking in and out of the classroom. We are excited to share this knowledge with all instructional staff in August so that every teacher is equipped to integrate this into their classroom. Without you, none of this would be possible. We are so very grateful for your support, and we look forward to a strong 2018-2019 school year!

Blessings,

Dr. Kathleen Cox, *Principal*

## 5th Annual GOLF CLASSIC

In April, more than 80 golfers enjoyed beautiful weather and a friendly competition at our annual Golf Classic held at RiverBend Country Club. The event raised nearly **\$30,000** in unrestricted support and brought school parents, grandparents, parishioners, business partners and friends of St. Michael together in celebration of our community. Special thanks to Title Sponsor The Weldon Granger Family, Chairs Lexie and Aaron Boudreaux and Lauren and Sean Teare and all participants and sponsors.

*Next tee-off is Monday, April 8, 2019!*

## STEPS FOR STUDENTS

*Get ready to step up February 16, 2019!*

St. Michael families supported this annual 5K & 1K run/walk with **100% staff participation** and **491** registrants - the most in our history! More than **\$7,500** was raised through registration and spirit shirt purchases in benefit of P.E. and Field Day programs. Funds were used to purchase sports balls and nets, equipment, jump ropes, and provide Field Day shirts and new exciting activities (pictured) for students on Field Day. Thank you to Steps Chairs Lindsay Bhatia and Rachel Brady for leading this fun event!

## TENNIS GARDEN SOCIAL & LUNCHEON

*Moving to the Fall!  
November 9, 2018*

In April, the Houston Racquet Club welcomed our Tennis Garden Social & Luncheon guests to a fun morning of tennis play, garden social spectating, and an alfresco luncheon for all. Thank you to Chairs Christi Johnston and Kim Sellers! This is a true fundraising event and welcomes all ladies of SMCS!

# ANNUAL FUND

\$578,639

The Spirit of St. Michael Annual Fund is our school's largest charitable giving program. Tuition alone only covers a portion of the cost to educate each student at St. Michael Catholic School. It is because of gifts to the Annual Fund that we are able to bridge the gap between tuition and operational costs and sustain the life of our school.

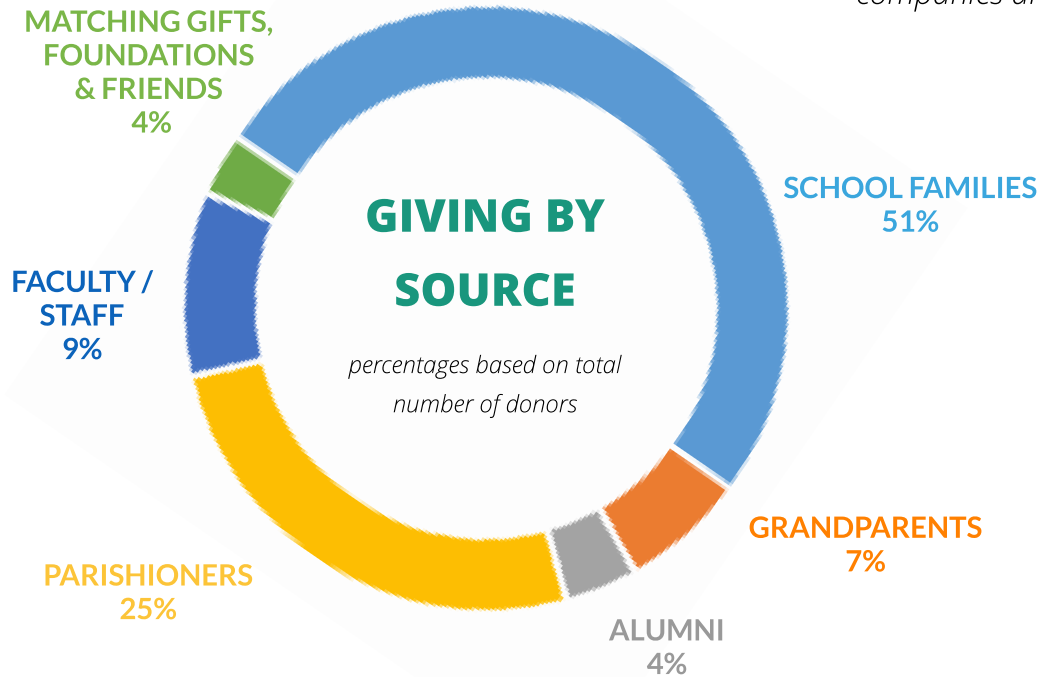

The Annual Fund at a Catholic School is more than just a line item in the budget. It is a part of our catechism and has been for centuries, allowing tuition to remain as low as possible so that more children may receive the ministry of Catholic Education. We are beyond grateful for the response of our community in support of this important fund and are happy to report that **\$578,639** was raised toward this year's Annual Fund. A special thank you to Chairs Rick and Georgia Harmon for leading our Annual Fund efforts the last two years. Visit the next page for more information on our generous donors and how the Annual Fund has benefited our students, teachers, and school this year. The 2018-19 Annual Fund kick-off is September 21!

*In March, families participated in the Annual Fund Challenge, a week-long campaign encouraging participation in the Annual Fund. Our school community rose to the challenge and exceeded the goal of 80% parent participation with some classes reaching 100%! All students were treated to a KONA ICE celebration on Field Day!*

# 540 Donors

The Annual Fund received **\$23,300** in **matching gifts** this year. We are extremely grateful to all participating companies and donors!

## YOUR SUPPORT YOUR IMPACT

### Advanced Technology

This year, all 5th - 8th grade students were supported with 1:1 chromebooks and 3rd grade students received additional chromebooks for individual and small group use in the classroom.

**Enhanced Instruction** This summer, 7 teachers will attend Project Zero Classroom at Harvard University and 2 teachers will attend Columbia's Teachers College. The Annual Fund has supported numerous other trainings and growth opportunities for teachers throughout the year and has enabled the purchase of innovative math and writing curriculum for select lower school grades.

*"The Annual Fund makes it possible for our school to provide so many of the*

*opportunities that make learning so engaging here at St. Michael...please know how much I appreciate your support."*

- Ms. Marich, 2nd Grade Teacher

### Engaged Learning

Over 300 books were added to classroom libraries throughout all grades, encouraging students to pursue their interests through literature. Pictured below: Ms. Wyrick's (3rd grade) book club.

**Excellence in Education** The consistent support of our Annual Fund donors allows the school to maintain the highest quality Catholic education experience for all students. Your annual unrestricted giving is a tangible vote of confidence in our school's total program and an opportunity for school families, parishioners, alumni, faculty and friends to work as one to promote excellence in Catholic Education.

Our parent volunteers are the heart of St. Michael Catholic School. We are grateful for the many contributions our P.L.U.S. volunteers make to enrich the lives of our students, teachers, and parent community. From welcoming new families, to supporting families in need, from hosting school-wide events like the Halloween Carnival, Book Fair, and Bake Sale to making teachers feel special on their birthday, and every day -- we are thankful for all that our P.L.U.S. volunteers do for our school. We especially thank 2017-2018 Chair Marisa Underbrink for her enthusiastic leadership this year. Thank you for a great year!

# MISSION IN ACTION

*This year, our teachers, students and families responded to our community's hardest times with immeasurable love and benevolence.*

*Throughout the year, this spirit of generosity remained present in our students as they led and participated in opportunities to serve those in need. We are beyond proud of our students and their discipleship through service.*

7th and 8th graders participated in several service projects throughout the year in partnership with local organizations. Pictured are 7th grade students volunteering at the St. Vincent de Paul Store.

In March, students led a "Jeans for Jesus" clothing donation drive, collecting 320 pairs of jeans to be donated to Catholic Charities.

## Hurricane Harvey Relief

In the wake of Hurricane Harvey, our school community responded with open hearts and hands to our city in need. P.L.U.S. Cares and Concerns committee responded immediately to help the **15** school families and **5** teachers affected by the flooding. A network of support and assistance was established to ensure families were cared for. Donations provided included appliances and home goods, restaurant gift cards, and gently worn uniforms. St. Michael Catholic School's catering service, ECI, offered student lunches and take home dinners for families free of charge.

Families donated nearly 300 new toys to Children's Memorial Hermann Hospital during our Christmas Toy Drive. The toys were gifted to children receiving long term care as part of the hospital's Christmas celebrations.

Donation drive held by St. Michael Catholic Church collected home goods, clothing, toiletries, and other necessities. Volunteers collected, sorted, and distributed the items to communities and organizations in need.

Students participated in Jump Rope for Heart, An American Heart Association Program (AHA), in April.

Coordinated by our P.E. Department, this annual event aims to raise awareness and funds in support of heart health. Fundraising participants raised a total of \$6,530 for the AHA.
