MISSION OF OUR PARISH

We are a Roman Catholic parish encompassing St Peter's Church, Our Lady of the Rosary Church (Seton Shrine) and St Joseph's Chapel. We are the first Catholic parish in New York State but our legacy in Lower Manhattan predates the American Revolution. The parish has served as a safe haven in the past for the needy immigrants and victims and rescue personnel in the wake of 9/11. St Elizabeth Ann Seton and Venerable Pierre Toussaint performed works of charity in the parish that inspire us to serve area residents and multitudes visiting from around the world.

DID YOU KNOW

How was Mary born without sin?

Think about it - if you could create your own mom, wouldn't you make her without sin? That's exactly what Jesus did! In order to take on the punishment for all human sin, Jesus had to be fully human and fully divine. So, He had to be born from a human woman, but He could not have sin himself.

If Mary had been born with Original Sin, Jesus would have had it, too. The greeting of the angel Gabriel to Mary in the beginning of

Luke's Gospel "Hail, full of Grace," which in the original Greek, kekaritomene, meant one who had been graced by God in a special way. This lack of Original Sin means that Mary was the perfect vessel to bear the God and Savior of the entire world. Her "yes" to God to take on the challenge of conceiving and raising Jesus was integral to salvation history, and thus it makes sense that she was born without sin.

Though your mom probably was born with Original Sin, it is important to recognize that she makes similar sacrifices for you that Mary did while raising Jesus.

Today, on Mother's Day, we especially entrust all of our mothers to the care of the Blessed Mother, that they may look to her as a guide and a helpmate.
