## Did you know?

**Did you know that today is  
New Year's?**

Happy New Year! No, we're not just saying it's the New Year because we want 2020 to be over. The First Sunday of Advent, celebrated today, is actually the Catholic New Year! It's the day on which the liturgical year resets, and we begin back at the beginning, with the preparation for Jesus' birth with the season of Advent. We concluded the liturgical cycle last weekend with the celebration of Christ the King, honoring Christ's eternal reign in the Kingdom of God (heaven) after conquering sin and death through His crucifixion and resurrection. Now, we go back to the beginning and how the story all began, preparing for a savior coming in the form of a little baby.

In our weekly "Did you know?" section, we'll try to explain "mysteries of the Mass" and other parts of the Catholic faith. If you have a question you'd like to submit, please email [info@spcolr.org](mailto:info@spcolr.org)

## SISTERS OF LIFE

Dear Friends,  
Greetings in Christ! We are so grateful for your friendship and generous participation in our Christmas gift collections through your parish each year. So many families benefit from your contributions!

With all the challenges surrounding Covid-19 this year, we realize that many parishes are down in numbers and/or foreseeing Covid safety restrictions will make gift collections at parishes more difficult. In light of these realities, we have created an Amazon Gift Registry:
