The Visitation of the Blessed Virgin Mary Wednesday, May 31st

The feast of the Visitation recalls to us the following great truths and events: The visit of the Blessed Virgin Mary to her cousin Elizabeth shortly after the Annunciation; the cleansing of John the Baptist from original sin in the womb of his mother at the words of Our Lady's greeting; Elizabeth's proclaiming of Mary—under the inspiration of the Holy Ghost—as Mother of God and “blessed among women”; Mary's singing of the sublime hymn, Magnificat (“My soul doth magnify the Lord”) which has become a part of the daily official prayer of the Church. The Visitation is frequently depicted in art, and was the central mystery of St. Francis de Sales' devotion.
