**Saint Augustine, Bishop**  
**Monday, August 28th**

Augustine, +430, born in Tagaste, North Africa; after a dissolute life, he received baptism at age thirty-three from St. Ambrose; elected bishop of Hippo; combatted Manichees, the Donatists, and Pelagius; most noted for his *Confessions* and *City of God*; over 500 homilies are extant, considered a founder of monastic life in the West, his Rule (whose mantra for community life is *anima una et cor unum ad Deum*) is observed by some 100 religious communities today; one of the four great doctors of the Latin Church; called the "Doctor of Grace".

**The Passion of Saint John the Baptist**  
**Tuesday, August 29th**

*Paul presents an apologia for his life's vocation and apostolic ministry. Like John the Baptist, may we always hold to the truth.*

Today's memorial originates in the celebration of the dedication, perhaps on this day, of the church of St. John at Sebaste (Samaria) where, according to tradition, John the Baptist was buried by his disciples.
