## Divinely Inspired Invitation from our Lord

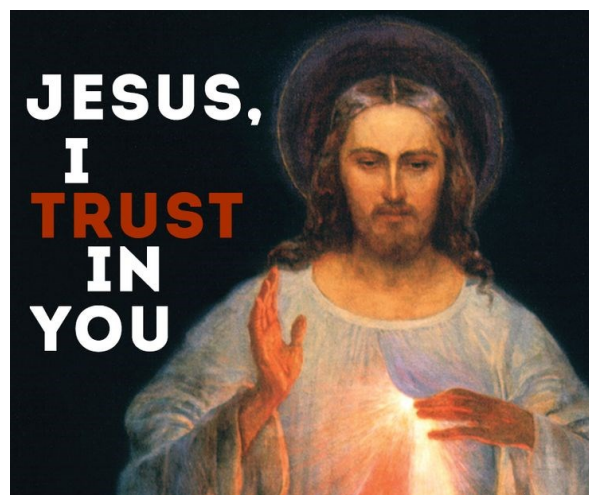

Have you ever set out to do some sort of work for the Lord, and it seems that nothing goes "right" or according to plan? Have you tried doing some sort of work for the Church and everything just "falls into place"? In both cases, of course, God is in control of the details and things always do work out according to *His plans*, even if they are not necessarily *our plans*. It sure is reassuring, however, when God's plans and our desire to serve Him do align!

Such is the case with the upcoming efforts to bring Mr. Daniel di Silva and an exact replica of the Original Divine Mercy Image to the Diocese of Boise! Some of you may recall the documentary film that Daniel produced in 2016 called simply, "The Original Divine Mercy Image Film." In this documentary, Daniel explains the incredible story behind the Original Divine Mercy Image currently hanging in the Chapel of Divine Mercy in Vilnius, Lithuania. Salt & Light Radio helped to bring this film to Boise and Nampa when it first came out and we are again grateful to be sponsoring Mr. di Silva's upcoming trip on the weekend of Divine Mercy Sunday.

Some parishioners from St. Mary's parish in Boise were recently inspired to help bring the Original Divine Mercy Image to their parish. Bishop Peter Christensen will be presiding over the installation of a replica of the Original Divine Mercy Image at St. Mary's Parish in Boise on April 11, Divine Mercy Sunday. Leading up to that special ceremony, Mr. di Silva has graciously agreed to conduct presentations in both the Magic Valley and the Treasure Valley in both Spanish and English (Mr. di Silva is bi-lingual).

This incredible opportunity is surely the work of the Holy Spirit - and all of the details have "fallen into place"! For the past eight years, Mr. di Silva -- officially an employee of the Diocese of Vilnius, whose entire apostolate is dedicated to spreading the Original Image of Divine Mercy -- has always led pilgrimages to Vilnius, Lithuania on Divine Mercy Sunday, but this year, because of the lingering affects of COVID-19, he has been unable to plan his usual pilgrimage. So, he is able to join us instead!

Daniel is the world's most renowned expert on the Divine Mercy Image and will share with us the message of Divine Mercy as given to St. Faustina Kowalska by our Lord in 1936. As an added "bonus," a first-class relic of St. Faustina will be venerated at each of the presentations. Please don't miss this amazing opportunity! Allow yourself be immersed in our Lord's Divine Mercy and allow this image to penetrate your heart and bring peace and mercy to our communities and our churches here in the Diocese of Boise!

## Spring Pledge Drive Wrap Up

*On behalf of the Salt & Light Radio Team, I would like to say thank you for sharing your stories and support during our "Faith of our Fathers" Spring Pledge Drive.*

*While answering the phone, I was touched by the impact that the radio station has had on so many lives; from deepening the faith, to the conversion to the Catholic faith, and to precious moments of light during some dark times.*

*It is because of these stories that our team remains dedicated to bring Catholic Radio to as many people as possible. We work to help support our parishes in the Diocese of Boise, to bring people closer to God and to evangelize through our multi-media communications.*

*This apostolate would not be possible without you as our supporters and listeners. We are blessed that we are able to bring this ministry to you.*

*In Peace,  
Diana Tetreault  
General Manager*

thank  
you

*"Thank you for having me on the air during the pledge drive. It was very special to share my faith with the community and my family through Salt and Light. May the donations keep coming to keep this amazing station going. "*

# Salt & Light is pleased to announce that Bear Woznick is coming to Idaho!

As a Benedictine Oblate, Certified Catechist, EWTN TV & Radio Host and Catholic Author, Bear ignites his audience with stories of his adventures as World Champ Surfer, Ninja Black Belt, Skydiver, Private Pilot and Certified Scuba Diver.

Bear presents a riveting evangelistic message challenging men and women to deeper conversion and to the wild adventure of abandoning themselves to God's will. Bear mixes cinematic excerpts from his much acclaimed EWTN "Long Ride Home" TV series with his inspiring message to challenge, equip and mobilize men and women to go deeper in their personal walk with God and their unique mission. You can hear *Deep Adventure Radio* with Bear Saturdays at 4pm on Salt & Light Radio.

## Motorcycle Rosary Ride:

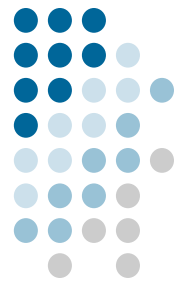

What's your idea of a prayer pilgrimage? Rosaries and reflection? A visit to a holy site or two? How about the deep-throated rumble of a Harley? Salt & Light Radio has partnered with Knights on Bikes and others from around the diocese to host our first-ever Rosary Ride. To add to the experience, avid motorcycle rider and national host of *Deep Adventures* radio show, Bear Woznick, will be joining in the fun. Whether you ride a

motorcycle or want to follow along in a car, we will enjoy the ride and the beautiful mountains of the Lowman Loop. We will stop at various chapels along the way to pray a decade of the rosary. The Rosary Ride's five-hour trek will start at the Cathedral of Saint John the Evangelist on Friday, June 18. We will begin with Mass at 8:30 a.m. followed by the blessing of the bikes and will return by 3:00 p.m. The journey includes a special stop at the St. Joseph Chapel in Idaho City for this year of St. Joseph. This is a prayer experience that involves motorcycles. However, you do not need a motorcycle to take part in the ride itself. We hope lots of people will come out at each stop to join riders in praying the rosary. All participants are asked to register by Friday, June 11, 2021. Lunch will be provided to those that register, however, anyone can show up on June 18 and pay their entry fee and still take part. For more information go to [www.saltandlightradio.com](http://www.saltandlightradio.com) and click the Rosary Ride.
