Rejoice in the Lord always! (Philippians 4:4)

We're approaching Gaudete Sunday as I am writing this to you - the midpoint of Advent and a time that Mother Church commands us to **rejoice!** The imagery from Isaiah really speaks to me, in light of the great year that we have had at Salt & Light Radio and speaks to all of the great projects we have on the docket for 2023:

- **The desert and the parched land will exult:** We're going to be building out at least two, possibly three, new stations next year -- especially in Eastern Idaho, where the land has truly been "parched", as our Catholic brothers and sisters in that area of our State have been thirsting for Catholic radio for many years!

- **Strengthen the hands that are feeble, say to those whose hearts are frightened: Be strong, fear not!** We have tremendous events planned for you again in the coming year: our Men's Conference in Nampa on Saturday, February 4th; our Noche Romantica event, also in Nampa Saturday, February 11th; and various celebrations centered around the theme of the "Year of the Eucharist", as spearheaded by Bishop Peter Christensen.

Philippians 4:8

Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things.

- **Then will the eyes of the blind be opened, the ears of the deaf be cleared...** 2023 will be the year for Salt & Light Radio to become even more visible and accessible! You will see the long-awaited arrival of the Salt & Light Radio App for your smart-phone! The app, especially, has the potential to be a real game-changer, especially for those not currently reached by our terrestrial broadcast signals. We are confident that you will be excited to see (and hear) in what we have been investing.

So, buckle up! Prepare the way for the Lord in 2023! He comes with vindication; with divine recompense... He comes to save you - and me! God bless you all and thank you for being a part of our Salt & Light Radio family!

Revival in the Air - Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and

devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.

Salt & Light Radio will be highlighting the Eucharist in programming, materials, and events during 2023. Stay tuned in.
