How are we going to top that one?!? Salt & Light Radio 2025 Pilgrimage

By now, many of you have read about the historic pilgrimage trip to Italy in May that Salt & Light Radio was privileged to help facilitate for 61 pilgrims. When asked how the pilgrimage went, our stock answer has become, “Epic!” Not only were we blessed to be in Rome during the time of the Conclave and have several of our pilgrims witness – LIVE – the announcement of Pope Leo, but we really experienced so many incredible sites in Italy, so many saints, so many Eucharistic miracle sites, etc. It was all a bit overwhelming, really! Deacon Lou Aaron and Father Nelson Cintra were incredible spiritual guides for the trip, and as always, the best part of the pilgrimage was the relationships made between the pilgrims, which will surely last a lifetime. Special thanks to Stephanie Bennett/Making Waves Travel and her counterparts at ETS! We were very blessed with good in-country guides who managed the logistics superbly and who added a lot of good “color commentary” for us along the way.

So, what’s next? How can we possibly top that experience? Well, stay tuned, as we say in the radio business... You’ll be excited to hear next year’s destination, and we certainly hope you can join us!

Better than a Gala: An Evening of Praise!

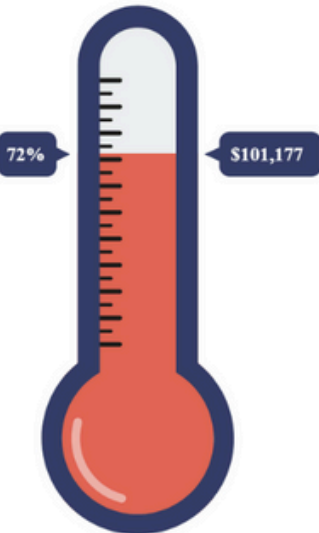

For those of you who attended one of our recent Summer Benefit Concerts in Idaho Falls, Twin Falls, Boise and Cottonwood, I don't need to tell you how great they were. We have heard from you how well they were received! For those of you who missed out, we certainly hope you can join us next year.

We knew, going into these events, that the performers with The Vigil Project would be good, but we had no idea HOW GOOD. They were amazing! They brought so much joy and energy – and the encore in Boise really brought the house down! Christopher Check/Catholic Answers also did an amazing job with his talk and exhortation to the crowd to become evangelists and to support the work of Salt & Light Radio. The venues were beautiful, the video presentation was very professionally done, and we capped off each night with some cake to celebrate our 15 years of broadcasting! All praise and glory to God!

The only thing missing...was (some of) YOU! The attendance at each of the concerts was less than we had hoped – about 2/3 of what we were expecting. As such, we were unable to meet our financial goals. Please see the graphic below, which summarizes the financial results from each concert. Since these concerts replaced our previous Summer Gala efforts, we really hope that some of you who were unable to attend might still consider making a gift (see the enclosed envelope).

Special thanks to Angela Atha, our Events Manager, and Carol Brown, our Director of Marketing and Community Relations, for all their hard work in managing the logistics and the care of our guests – both attendees as well as the performers. Special thanks also to our sponsors, who helped make the evening possible. For a first-time effort, the concerts were really quite a success! We learned a lot of lessons along the way, and we are confident that next year's "Summer Benefit Tour" will be even bigger and better attended.

GOAL: \$140,000
