

ST. HELENA ST. PATRICK

WELCOME TO OUR PARISHES!

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

To be humble means to see ourselves as we are. It comes with the recognition that we are never perfect, better than another, or free of sin. The humble person knows their faults and failings as well as their successes and triumphs. They also realize that they are nothing without God, especially God's mercy. The humble one knows who they are, who they can be, and how they have fallen short. Being desperately in love with God, they know how they have sometimes given in to their desires rather than God's will, almost with a sense of embarrassment. Being justified in our relationship with God is not about a list of the good things we do and the bad things we don't. We are vindicated when we realize how totally dependent we are upon God's gratuitous, abundant, and unconditional love. It is a gift we often take for granted and is often unappreciated.

Heaven Speaks.

In time Anne was given teachings in regard to certain issues or certain people. These teachings were quite unlike any other "locutions" from heaven in that they involved many teachings from our brothers and sisters, the Saints, in Heaven. The series titled "Heaven Speaks To" included: Those who are addicted, those who suffer from depression, those considering suicide, those who fear death, those who have rejected God, those who struggle to forgive, parents who worry about their children's salvation, young adults, soldiers, prisoners, etc., and also one booklet addressed to "You." Some excerpts from a few of the teachings follow:

THOSE WHO FEAR PURGATORY

Blessed Mother

My poor little children are encouraged to be anxious and fearful. This is not from heaven, my beloved ones. This is from heaven's enemy. Do not be afraid. Bring your fears to me and I will help you to step away from these fears. I love you so much and I see so clearly how the enemy seeks to fill you with fear. If you get to know Jesus, your fears will recede and recede again, and soon you will be unable to remember what it was that created such fear and anxiety in you. Jesus is the answer and the remedy for all fear. With regard to fear of purgatory, I must say that you will not be abandoned in purgatory. Your remorse will feel good to you because it will be founded in truth. The truth of purgatory will fill you with relief. This world promotes what is not true. In other words this world promotes deception and distraction. In purgatory you will experience the greatest relief at knowing the truth and knowing that you will never again be deceived or uncertain. My little children, because you do not understand the depth of the deception in this world, you cannot understand the depth of the relief you will feel in the next world. Trust your mother who never leads her children astray. If you require time in purgatory, you will be grateful to be there and you will experience the most profound gratitude to God for seeing to your needs in such a merciful way. Peace, little children. I am with you

Jesus

My beloved children harbor many fears. This is understandable. The fears of one can be transmitted to another and this is not good. During this time, fear spreads through the world quickly, almost instantaneously, through the media. Perhaps you rise on each day and look out and see that the sun is shining. It is a good moment for you. I am with you, you are fed, and My sun is shining. But this is not enough. You look to see what is happening in other parts of the world. Through communications that are often unnecessary for you, you learn that there is war, disaster and famine. You look out again but the joy you had taken in the sunshine is gone. How can you feel joy when in another place there is war, disaster and famine? You fear immediately that these things will come to you. I want you to be aware of the needs of others and if a cross comes to you, I want you to carry it with dignity. But I want you to remain in your life, paying attention to your tasks. My friends, few are serving in the area where I have placed them. They are isolating themselves, listening to events from everywhere else in the world. In the meantime, events in their own areas pass unheeded and untended. It is true that I will use communications to further My renewal. I will use everything I can to save souls. But I want less time

given over to the consideration of the crosses and challenges of others and more time given over to the crosses and challenges in front of each one of My children. My enemy is using these communications to inflate the fears of My children. Fear is not from Me. Because there is disaster in one area does not mean that you are assured of disaster in your area. Children, listen to Me. It is good to sympathize with others through constant prayer and concrete assistance. It is not good to be inundated with images of disaster. This is not from Me. In each situation of upheaval, there are holy men and women acting as apostles and helping Me. They are becoming saints through these situations. My angels are present, as well as My saints. I am present. I am sustaining many and reaping a harvest for heaven in every event that occurs in your world. When each soul completes his time on earth and comes to Me, there is justice. You do not see this on your televisions. You do not read this in your newspapers. I am barely represented in these communications so you must not look to these communications for truth. Look to Me, in prayer, and there you will find truth. I make reference now to the fear harbored by many that they will suffer unbearably in purgatory. My friends, you see unjust and seemingly unbearable suffering on earth and you are fearful. You then transfer this fear to Me because if injustice is allowed on earth, surely injustice is allowed in the heavenly Kingdom. This is simply not true. There will be no injustice here and you will not suffer physical pain in purgatory. Perhaps this does not comfort you. Perhaps you understand how sinfully you have behaved and you fear just punishment. If you feel this way, you have not spent enough time resting in My companionship. You do not know Me. You do not understand heaven or its many Kingdoms. I do not hold this against you. It is for this reason I am giving you these words. Do not be afraid of the process of purification that awaits some of you after your death and before your entrance into heaven. There is nothing to fear. You will find that I am all compassion and mercy. I do not seek to condemn you, but to save you. I am your friend and I love you. Even if you are not My friend now, at this time, I have hope that you will change your mind and become My friend later, at the time of your death. A friend does not prepare pain for a loved one coming in from a long journey. A friend prepares a time of recovery if it is necessary and that is what I have prepared for you. Think of time in purgatory as time for recovery. You will recover and grow in purgatory if, together, you and I find that you need this. I will take care of you always.

October, month of the Holy Rosary

"The Rosary is the most beautiful and the richest in graces of all prayers; it is the prayer that touches most the Heart of the Mother of God...and if you wish peace to reign in your homes, recite the family Rosary."

Pope Saint Pius X

"The beginning of the way, at the end of which you will find yourself completely carried away with love for Jesus, is a trusting love for Mary. Today as in other times the Rosary must be a powerful weapon to enable us to win in our interior struggle and to help all souls."
