### Fifteenth Sunday in Ordinary Time

OUR MISSION STATEMENT:

#### TO ENCOURAGE

*each parishioner to develop a life-changing and intimate relationship with Jesus, sustained and nourished through prayer, scripture and the sacred liturgy.*

#### TO BUILD

*families within our parish who will give witness to all they meet of the power and presence of Jesus in their daily life.*

#### TO CONTINUE THE MISSION

*of our patron, St. Joseph Marello, who spent his life in service to the needy and to youth and to the service of God in imitation of Saint Joseph, the husband of Mary and Guardian of the Redeemer.*

**MATTHEW KELLY: DECISION POINT**

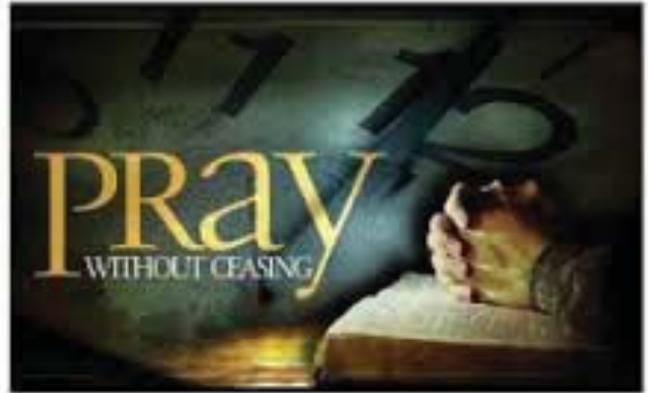

**Next Session is July 11**

**Monday Evening, 6:30-8:00**

**Saint Paul tells us to:**

**PRAY  
WITHOUT  
CEASING**

(1 Thess 5:17)

Of course, we cannot pray every minute of every day because we have things to do. So just what did Saint Paul mean when he said, “Pray without ceasing”?

Saint Paul was encouraging us to transform every moment of every day into a prayer. How do we do this?

We do it by:

- offering each hour of study, work, or play to God as a prayer,
- offering inconveniences, sufferings, and joys to God as a prayer,
- and offering everything we do each day to God.

By doing this, we transform the ordinary realities of everyday life into prayer.

**Come join us this coming Monday evening, July 11th, as we explore:**

- **Why we should pray**
- **What prayer brings into our daily lives and allows us to do**
- **What types of prayer there are and what the prayer process involves**
- **How Jesus himself showed us to make room for daily prayer**

## Flipping the Classroom

A new approach to improving parish religious education and engaging children in the faith.

Flipping the Classroom is a new approach that is opposite from traditional classroom learning where lecture is followed by homework. Students learn cognitive material online at home. Then classroom time is left open for skills and application. Through *Faith and Life online* learning is always engaging, interactive and individualized.

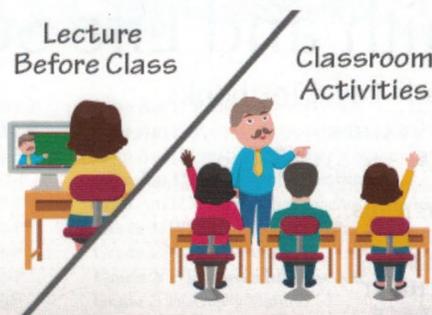

### Benefits for Students and Families:

- Parents are empowered to become primary teachers of their children's faith. It is the perfect means to learn the Faith at home when there is not enough time in the classroom.
- Children are given the flexibility to learn their faith at a time that does not conflict with their sports or other family activities.
- Learning is individualized; students learn at their own pace.

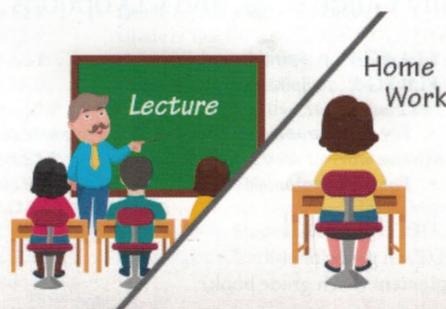

### Benefits for Schools and Parishes:

- Teachers and catechists have more time to teach skills, for activities and discussions.
- Assessments and reports are all automated online making it easy for teachers and catechists to communicate with parents.

## Caregiver Support Group

When providing care for a loved one, increased demands and responsibilities can interfere with a person's ability to invest in relationships and maintain social connections. It is not uncommon for caregivers to feel a variety of emotion and stress including: Guilt, Helplessness, Anger and Resentment.

You are not alone in your struggles, emotions and challenges. Please join us if you are caring for a love one. We are meeting the 2nd Tuesday of each month from 3:00-4:30 at the church. **Please join us at the next support group on Tuesday July 12.** The group is facilitated by Beth Meuser a Care Navigator with Eskaton. Beth holds a degree in Gerontology and does work with the National Alzheimer's Association. We welcome anyone to this group. If you would like more information, you can reach Beth at 459-3220.
