

Saint Joseph Marello

CATHOLIC CHURCH

August 12, 2018 – Nineteenth Sunday in Ordinary Time

The Society of the Missionaries of St. Francis Xavier

The Society of the Missionaries of St. Francis Xavier is a Society of Apostolic Life founded on September 26, 1887 by Rev. Fr. Jose Mariano Bento Martins in Goa, India. It is the first indigenous society in India, with a charisma to be pioneering missionaries. The members of the Society serve the population of India and have opened missions and parishes in Nepal, England, USA, Austria, Germany, Italy, Australia and Africa. Today, there are about 375 priests and about 35 lay brothers and more than 200 Seminarians in

different stages of priestly formation. The main work of the Society is among the Non-Christian people in India and Nepal. The Society intends to make headways in the areas where the church has not yet been established. The Society engages in works of social uplift and development without discrimination of caste class or creed. It has successfully transformed two missions into a diocese, with a strong Christian presence and vocations. This Society is a growing Society. Young men full of enthusiasm look forward to carry the banner of the Risen Lord to bring joy and healing to the suffering humanity in the most remote areas of India and Nepal. The congregation has so far two of its members as Bishops.

Education is a major area of focus. The congregation manages primary and secondary schools, colleges, technical and engineering institutions. Its members operate in small teams in a variety of social outreach programs; manage orphanages and health care centers in rural areas. Their programs include rehabilitation of migrant people, adult literacy classes, and specific welfare for women, and training for social workers. The congregation also provides emergency aid for those dealing with earthquakes or tsunamis. Recently, the Kolkata Province has undertaken new missions in North-East India, close to China border, among the tribal. It is a challenging mission for the Society to bring about transformation in the lives of these people in these remote areas. Your assistance will go a long way to bring the good news of Jesus to these simple villagers.

Lighthouse Book of the Week: Arise From Darkness: When Life Doesn't Make Sense

Well-known author, psychologist, and priest Fr. Benedict Groeschel draws on his own years of personal experiences in dealing with people's problems, tragedies, and "darkness" as he offers help and guidance for any Christian troubled or burdened by life. If you are struggling with fear, anxiety, grief, loss of loved ones, hurt, anger, or anything that makes life difficult or the road through it dark, then this book was written for you. Fr. Benedict offers practical suggestions on how to keep going and even grow more with the help of God's grace, even when this help seems remote. The Christian response to the problem of evil and suffering began with the cross of Christ. Our answer is inseparable from the cross—from Jesus' own encounter with evil and his triumph over it.
