Fr. Emmerich is a priest of the Holy Name Province of the Dominican Order and is currently ministering with Western Dominican Preaching.

For the past thirty-seven years he has been involved in giving retreats to Mother Teresa's Priests and Sisters in Mexico, Poland, Guatemala, Calcutta, Russia, and Africa. He currently resides at Saint Albert Priory in Oakland, CA.

From a family with alcohol and drug addiction, Fr. Emmerich has studied the 12-Steps for his own healing and to help others to overcome obstacles and find peace.

His series for EWTN is entitled "The Eucharistic Principles of the Spiritual Life."

Father Emmerich returns to Saint Joseph Marelo for the parish Mission, to reflect on the goodness, beauty, and truth of the faith with which God has gifted us.

Steps to Wholeness

After a reflection on the classical Catholic definition of prayer, and taking his cue from St. Teresa of Avila's requisites for a vital prayer life (which is where we left off last year), Father's conferences will spell out the concrete steps needed in the life of every wounded Christian — Christians wounded by Original Sin and by personal sin.

Many are familiar with the writings of the Catholic convert Peter Kreeft, a professor of philosophy who has written over eighty wonderful books on Christian philosophy, theology, and apologetics. In one of his books he reminds us that we are addicted to sin. No one is addicted to patience, charity, humility, etc. We are addicted to sin and thus he calls us "sinaholics." Thus Father Emmerich will focus on the steps needed by "sinaholics" that give us access to the life of grace as St. Teresa recommends.

By leading the parishioners of St. Joseph Marelo in an exploration of the guiding principles that lead to a deep inner peace in the midst of a troubled world, his conferences will focus on recovery from the effects of sin in our lives, and explore other issues of our spiritual warfare. He will briefly review the role of feelings and emotions in our lives. And he will help lead us through the way to heal our resentments, and much more as he exams the Steps that lead to the fullness of life and love.

Lighthouse CD of the Week: The Roots of the Crisis

The clergy sexual abuse scandals have rocked the Catholic Church and caused a crisis of faith (and of evangelization) for many. When facing such a daunting and terrible crisis, it can be difficult to find the right way forward.

In this talk, Dr. Tim Gray explains with conviction and insight that to make any real and lasting change, we must keep faith, and look closely at the deep roots behind this crisis. Times of great scandal and corruption in the Church can be followed by times of even greater renewal and revival, if faithful men and women will enter the constructive conflict that truth requires.
