We may not all work on the front lines of charity, but through the Annual Catholic Appeal, our whole community leans in to help our Catholic charities... and our own parish... to sustain programs and ministries that help lift our neighbors and friends out of the hardships of poverty. The Annual Catholic Appeal is dedicated solely to the social mission of the Church here in Northern California. Last year, 509,000 people were helped by Appeal-funded charitable works. Please be as generous as you can. Every gift makes a profound difference in someone's life.

Prayer

Dear God, help me to be truly thankful for all the gifts you have given me.

Mission for the Week

Name three good things God has given you. Say "thank you" to God for those gifts in a prayer.

Sharing the Gospel

Everything you have is a gift from God -- your body, your mind, your food, your clothes -- everything! Sometimes people become proud, and they think they have earned God's gifts. Sometimes people run away from God, and they waste God's gifts. Just remember, it is never too late to run back to God. Every good gift comes from God.

Faith Sharing

On 2/28 through 3/01 I attended the Men's Retreat at Christ the King along with 6 other men from our parish. Those attending were Dave Whitman, Ron Kong, Chuck Foerster, Allen Cummings, Jerry Krebs and Jerry Prola. The Women's Retreat was held the week before and 27 women from our parish attended. The theme for the Men's retreat was creating the hope we seek and the sacredness of everyday life.

During the three days there were five presentations given by the Passionist priests along with Sister Kathryn and Talib Huff, a catechist. All the presentations were very beneficial leading us towards a deeper desire to hold fast to hope in Jesus Christ. But there was one part that struck me closest – an image of hope. It came from a short video by a photographer named Dewitt. The history of his pictures is of the natural world as it is common in everyday life. He describes the theme of his pictures as what National Geographic magazine called a “Celebration of what's right with the world.” The pictures were common everyday examples of what is good in God's creation, be it of landscape or life images. As he went through a series of these pictures it became clear to me that our perception of the world controls our reality of the world. In other words, if we see beauty and positivity then we see good. If we don't see positivity but negativity then we see what is wrong and hope becomes diminished. But God is good and since our perception controls our reality, the more we believe in His goodness the more we see of Him within ourselves and in the divinity of His creation.

This example was just a small part of an incredible journey through hope guided by our speakers over a 3-day period. Next year I hope you will consider attending the retreat and finding your own way towards a clearer vision and closer love for our Lord. For Jesus tells us “The Kingdom of God is at hand.” --Dave Cadden
