Spring Training For Christians/Lent

One way to think about the Lenten season is to equate it to spring training for all the major League Baseball teams. Right now, the Mariners and all the teams are down in sunny climates working on fundamentals. Pitching, catching, running, throwing, fitness - all these are worked on for weeks. Let's hope our Mariners are training well.

One way to see Lent is a Spring Training for Christians. We are encouraged for six weeks to focus on the basics of Christian living. We began last Wednesday with our celebration of Ash Wednesday. Too many of us stop right there and don't pursue the rest of Lent with the intention of becoming more like Christ. Like baseball spring training, there are helpful disciplines to follow to deepen the roots of our faith.

Preparing for our reconciliation services and confessions through a daily examination of our lives by asking how was I like Christ today?

Taking time for daily prayer through reading of the Scriptures.

Faithfulness to Sunday Masses with the foundational scriptures leading us to understand the meaning of the resurrection.

Fasting not just from food and drink but fasting from gossip, negativity, judgement, and superfluous shopping might be examples.

Our parish library provides an excellent source of spiritual reading.

Service opportunities abound in our parish.

Stations of the cross are available as well as your rosaries.

Lent is like spring training - to be excellent Christians, we need to return to basics once in a while. Lent is that time.

I am looking forward to celebrating these Lenten days with you.

Fr. Jack

The Oak Tree

by Johnny Ray Ryder, Jr.

A mighty wind blew night and day.
It stole the oak tree's leaves away.
Then snapped its boughs and pulled its bark
Until the oak was tired and stark.
But still the oak tree held its ground
While other trees fell all around.

The weary wind gave up and spoke,
"How can you still be standing, Oak?"
The oak tree said, "I know that you
Can break each branch of mine in two,
Carry every leaf away,
Shake my limbs and make me sway.

But I have roots stretched in the earth,
Growing stronger since my birth.
You'll never touch them, for you see,
They are the deepest part of me.
Until today I wasn't sure
Of just how much I could endure.
But now I've found, with thanks to you,
I'm stronger than I ever knew.

Two Books For Modern Times

With our dinner with the Mosque a few weeks ago, people have been asking, "How can I learn more about Islam?" A good starting book for this is "*Islam, A Short History*" by Karen Armstrong. I found this so helpful a few years ago.

Another book for people interested in science and faith is, "*Wayfarers In The Cosmos*" by George Coyne, SJ. I heard a talk by the author last week. He did a wonderful job of delineating the roles of science and faith in our human quest for meaning. You might take a look at both. Good reading for Lent.

Lenten Prayer Partners For The Elect And Candidates

The Church tells us that it is the entire parish's responsibility to support and welcome those preparing for Baptism, Confirmation and Eucharist this Easter. One of the many ways you can do this is to become a prayer partner. You are asked to pray every day for him/her during Lent, asking for God's blessings and guidance. Also, notes and cards will be collected during Holy Week to be given to them before Easter. Prayer cards are available at the place of prayer located in the church (where you can also learn more about each of them) and in the Pastoral Center (where the offices are). You can also learn more by going to our parish website: www.olgseattle.org. Your prayers make a difference!!! For more Information call Helen Oesterle, at 206-935-0358 or heleno@olgseattle.org.

Family Faith Formation Schedule

Faith Formation Programs for the Month of March

March 5th - Family Faith Sunday - Praying The Stations Of The Cross As A Family - Walmsley Center Gym - 9:30 a.m. to 10:45 a.m.

From the beginnings of the Church, the followers of Jesus spread out to surrounding nations and told others about Him. Many people from other lands became Christians in this way and, sometimes, they would travel to Jerusalem to see the places where Jesus' Passion, Death and Resurrection took place. As they would walk the path that Jesus took to Golgotha, they felt a special connection with Him. Following in these footsteps of the Lord, along this Way of the Cross, became a popular pilgrimage. CCC 1674, 2669, 2691.

The Stations of the Cross, as we know them today, developed for people who could not make the journey to Jerusalem to visit these holy places. We invite families to come and walk in the footsteps of Jesus and experience the Passion, Death, and Resurrection of our Lord during Lent. Families will take home symbols for each station and a Stations of the Cross and a prayer booklet with prayers to continue this wonderful form of prayer during Lent. We hope you can come to this special Family Faith Sunday and encourage you to bring someone with you who would also like to participate in praying the Stations of the Cross as a community.

Lent At Home

Activities for Busy Catholic Families

Given the many challenges facing today's families, now is the perfect time and home is the perfect place to experience Lent. After all, home is where we rush and rest, where we hope and worry, where we love and forgive. It is home where we most often experience day-to-day salvation. Lenten experiences can take place in nearly every room of the house. Here are some ideas to try to enrich your celebration of Lent at home.

Family Effort - Engage young people in a discussion about how they can support their family members' Lenten commitments. Begin by providing a suggestion, such as offering to cook a meat-free meal on one of the Fridays of Lent. Write a list of their suggestions. Encourage them to select a few of the items they have listed and to include the actions as part of their own Lenten commitments.

Lenten Family Mealtime - In addition to "Friday fish day," designate one evening a week to prepare a meal together. Assign a different dish or task to each family member. Before starting, discuss how each family member is giving to the others - giving time, effort, and care to nourish the entire family to go out and do God's will. Begin with a prayer of thanks and petition.

Family Lenten Reading - Prominently display the Bible and other books that feature topics such as the following: Lent, forgiveness, prayer, Scripture, generosity, social justice and service for others. You might wish to display *Praying Lent: Renewing Our Lives on the Lenten Journey*, a small booklet by Andy Alexander, SJ or *A Prayer Book of Catholic Devotions* by William G. Storey, which offers a special section dedicated to Lenten reflection in addition to prayers for other seasons and normal time. Invite family members to choose books and discuss what you read.

Outreach Ministry

St. Vincent de Paul

Saint John Chrysostom has said, "So, no matter how much time you spend fasting, no matter how much you sleep on a hard floor and eat ashes and sigh continually, if you do no good to others, you do nothing great." Vincentians know this and try to live it. You have the opportunity to live it this Lent as well. God bless your generosity and concern for the poor in our midst.

Join Us For OLG's Day Of Service

"Lent is a favorable season for opening the doors to all those in need and recognizing in them the face of Christ." Pope Francis, *Message for Lent 2017*.

Join with other OLG parishioners on Saturday, March 25th as we head out to eleven service sites in the greater Seattle area to learn, to serve and to spread God's love. Some of the perennial favorites are back as well as some special opportunities to meet migrants and refugees in our community. After a year of focus on mental health in our community, there is also an option for serving at a housing complex for adults coping with persistent mental illness struggles. For more information, or to register, visit our website: www.olgseattle.org/day-of-service.

Encounter Innovation: CRS Rice Bowl

We encounter the Singh family in India, where a mother and father are using innovative farming techniques to feed their family amidst a flood. How is God inviting us to think outside the box in service to others this Lent? Visit crsricebowl.org for more information. You'll find Stories of Hope from each of the featured countries as well as various reflections and activities. You can also download the Catholic Relief Services Rice Bowl app for iPhones and Androids or sign up for weekly reflection emails.

Friday Night Stations Of The Cross

During Lent, we are invited to walk more thoughtfully and closely with Christ. One wonderful way to do that is by following the pathway of the Cross. Join us for some quiet time on Friday nights as we meditate on the self-giving love of Christ and seek to pattern our own lifestyle on His love. Guided Friday evening Stations of the Cross will take place on March 10th, March 24th and April 7th at 7:00 p.m. in the church (the same nights as the Knights of Columbus fish fry!). The meditations of the Stations will focus on a different theme each time; March 10th - *Remembering those around the world who experience daily suffering and poverty*, March 24th - *The Migrant's Way of the Cross*, and April 17th - *Praying the Stations with Pope Francis*. Praying the Stations takes between 30 to 40 minutes.

Prayers And Squares Quilt Ministry Continues To Serve Our Community With Love

Prayers and Squares officially became a Chapter Member #1158 on October, 20, 2014. As a ministry, over 60 quilts have been made and presented, each a special gift of love and hope.

The beautiful quilts that you see in the back of our church are quilts made by our Prayers and Squares ministry team which meets on the first Tuesday of each month from 1:00 p.m. to 3:00 p.m. in the Parish Pastoral Center. If you want to join our ministry, please call the parish office at 206-935-0358. It does not matter if you have been a quilter for years or have no experience and just want to learn, please come and fellowship with some wonderful ladies who serve our community so faithfully.

Quilts become prayer quilts as a result of the prayers that are tied into them. When a request for a prayer quilt is made from a family, we ask for any special prayer intentions that we can make available for our community to pray for when tying the prayer knots. When the prayer quilt is presented, they can feel each prayer by all of the prayer knots that are tied just for them. Here is what you do:

- Pick up untied thread and make a square knot (right over left, then left over right). Pull the knot firmly against the surface of the quilt.
- Offer a prayer for the person who will receive the quilt. Please remember that person in your regular prayers throughout the week.
