From the Pastor's Desk

Prayer For Memorial Day

God of power and mercy,
you destroy war and put down earthly pride.
Banish violence from our midst and wipe away our tears,
that we may all deserve to be called your sons and daughters.
Keep in your mercy those men and women who have died in the cause of freedom
and bring them safely into your kingdom of justice and peace.
We ask this through Jesus Christ our Lord. Amen

-from Catholic Household Blessings and Prayers

Excerpts From "I Am Your Flag"

I am more than just cloth shaped into a design.
I am the refuge of the world's oppressed people.
I am the silent sentinel of freedom...
I am the inspiration for which America's sons
and daughters gave their lives and fortunes...
I am the flag of the United States of America...
I stand guard with power in the world.
Look up and see me.
I have borne silent witness to all of America's finest hours...
I have slipped the bonds of Earth
To watch over the uncharted frontiers of space...
I walk in silence with each of our
honored dead to their final resting place
beneath the silent white crosses,
Row upon row.

Catholic Relief Services Rice Bowl - Thank You!

A BIG THANK YOU to all who prayed, fasted and gave through the Catholic Relief Services Rice Bowl this Lent. Through your generous Lenten sacrifices we collected \$4,814.88 - our largest collection yet! 75% of the funds raised will go to Catholic Relief Services' hunger elimination efforts overseas, and 25% will stay in our Archdiocese to fund grants for similar programs. OLG just received word that our Peace Garden grant was approved, which will help us continue to grow food for local food banks! Your participation truly changes lives around the world. Thank you for your generosity!

Action Alert!

Ask Congress To Keep Immigrant Families Together

Join the U.S. Catholic Bishops in asking Congress to protect Immigrant children and families seeking safety and shelter from violence by keeping these families together. As the Bishops' Action Alert says, *"Children are vulnerable and should not be separated from their parents. The family is a foundational element of Catholic teaching and family unity is a cornerstone of our American Immigration system. Separating parents from their children will not deter families from seeking safety and security in the U.S. Such a policy will not cure the pervasive root causes of migration existing in the violent areas of Central America. Furthermore, a policy of separating families at the border will be extremely costly to the U.S. taxpayer, costing hundreds of dollars a night per family."* For a pre-written, editable message, go to <https://justiceforimmigrants.org/category/action-alerts/>.

Share The Journey: Raise Your Voice On Behalf Of Refugees And Migrants Around The World

Last year, Pope Francis launched the Share the Journey Campaign in support of migrants and refugees worldwide. This is a time of great need in our world. We can make a difference in the lives of those in search of safety and security by calling on Congress to support refugees and migrants through poverty-reducing and life-saving foreign aid. Funding programs that address the root causes of migration, inequality and the lack of access to basic needs can help prevent future conflict and forced displacement, while promoting human dignity and building thriving and stable communities. Join Catholic Relief Services and the U.S. Catholic Bishops and add your voice by going to www.confrontglobalpoverty.org.

Protect Dreamers

Without a legislative solution, Dreamers' futures remain uncertain and they live in fear of deportation. Join the U.S. Catholic Bishops in lobbying Congress to take urgent action to protect these young, undocumented immigrants who were brought to the U.S. by their parents. They grew up and went to school here. Some do not even speak the language of their birth country. As Catholics, we believe in the life and dignity of every human person and are therefore, called to respect youth who had no choice about being brought to the U.S. The USCCB is supporting two key bills that will help address this critical situation. Go to www.votervoice.net/WSCC/Campaigns to send a message to your U.S. Representative to protect Dreamers by supporting HR 4796, the USA Act of 2018, and HR 3440, the DREAM Act of 2017.

June 12 *Slavery by Another Name*

This PBS documentary challenges one of Americans' most cherished assumptions: the belief that slavery in this country ended with the Emancipation Proclamation. The film tells how even as chattel slavery came to an end in the South in 1865, thousands of African Americans were pulled back into forced labor with shocking force and brutality. It gives voice to the largely forgotten victims and perpetrators of forced labor and features their descendants living today. *Rated G*

July 10 *Wonder*

This film tells the inspiring and heartwarming story of August Pullman. Born with facial differences that, up until now, have prevented him from going to a mainstream school, Auggie becomes the most unlikely of heroes when he enters 5th grade. As his family, his new classmates, and the larger community all struggle to find their compassion and acceptance, Auggie's journey will unite them all and prove you can't blend in when you were born to stand out. *Rated PG-13*

August 14 *Pope Francis: A Man of his Word*

The pope's ideas and his message are central to this documentary, which sets out to present his work of reform and his answers to today's global questions. From his deep concern for the poor and wealth inequality, to his involvement in environmental issues and social justice, Pope Francis engages the audience face-to-face and calls for peace. *Rated G*

St. Vincent de Paul Society

During April, members of St. Vincent de Paul helped 58 people with goods and services amounting to \$4,101 (not including food assistance). This includes providing clothing, hygiene items, medicine, medical treatment, bus tickets, rent, utilities, and household goods. Over 24 people were kept from becoming homeless because St. Vincent's helped to pay their rent or provided a motel room. Another 14 people got help with their utilities. Because of the increasing cost of housing in the Seattle area, more people are asking for help with their rent payments.

Please be as generous as you can in the St. Vincent's collection of food and donations and keep these members in our prayers as they follow Christ's words.. "*feed the hungry, clothe the naked, shelter the homeless.*"

Eagle Project

In case you haven't noticed, on the SE corner of the church, Roderick Percival has been working on an Eagle Project with Troop 282. As an OLG alumni, he chose this project so that he and his troop could give back to the community that made a lasting impact on his life.

The new rock garden will ensure that the holy water from our new Baptismal Font will be returned to the earth when it needs to be drained for cleaning.

A big thank you from the parish for a job well done.
