CALLING ALL ADULT PARISHONERS: Although it seems like it is way too early to begin thinking about being a Religious Education teacher – IT'S NOT! As we move forward to another year of Religious Education we do so with lots of excitement. This year we will be implementing a new curriculum called Spirit of Truth, check it out at, <a href="https://sophiainstituteforteachers.org/spiritoftruth">https://sophiainstituteforteachers.org/spiritoftruth</a>. It is a uniquely engaging, beautiful, and catechist-friendly curriculum where quality over quantity of material covered is emphasized. It would be awesome if we had enough teachers interested that we could have co-teachers where the two of you worked out a schedule as to when you could be available. We have had this scenario in past years with a couple grades and it worked amazingly well. We ask that you begin praying and then prayerfully consider letting your heart and mind guide you to hear God's call and become a Religious Education teacher.
