HOSPITAL VISITS:

Anyone who has family in the hospital and wishes a visit from the Parish please let the office know. Unless you tell us **we do not know** if a loved one is in the hospital. If you would like the Sacrament of the Sick **DO NOT WAIT TILL THE LAST MINUTE TO CALL AS A PRIEST MAY NOT BE AVAILABLE, GIVE A FEW DAYS NOTICE, PLEASE!!!**

When a patient is being admitted to hospital it is important that the family mention not only that he/she is Catholic, but that he/she is a member of St. Veronica's Church. This assists us with parish visitation. Anyone scheduled for an operation or is seriously ill, please contact the Parish Office to arrange the Sacrament of the Anointing of the sick **BEFORE** going to the hospital, to ensure that someone can come at that time.

Pope Francis Adds New "Urgent Intention"

Vatican City, ([CNA/EWTN News](#)).- After launching the first video series on his monthly prayer intentions last year, Pope Francis has decided to make some changes for 2017 by going back to an older system focusing on just one intention rather than two.

However, true to form, he has also added a novelty: in addition to the one monthly intention, Francis will also issue an "urgent" prayer intention himself each month in order to garner rapid support for the cause.

According to a recent blog post by Fr. James Kubicki, national director of the U.S. branch of the Apostleship of Prayer, the Pope decided to launch an urgent intention "given the speed of communication in the digital age."

While the 12 monthly prayer intentions for 2017 have already [been published](#) on the Apostleship of Prayer's website, Francis will announce his urgent intention during his first Sunday Angelus address of each month.

According to the Apostleship of Prayer's website, the Pope's additional urgent intention will focus on "current events or urgent needs," such as disaster relief, and will "help mobilize prayer and action related to the urgent situation."

Fr. Frederic Fornos, S.J., the international director of the Apostleship of Prayer, has said that for him, the Pope's urgent intention is a way of confronting "the culture of indifference" by drawing not only attention, but also prayer, to situations that are "more concrete, precise, current (and) related to actual circumstances."

Pope Francis' intentions for 2017 focus on topics he has frequently spoken out about, such as support for persecuted Christians, youth, Christians in Africa and Asia, workers and the unemployed, and the elderly.
