HOSPITAL VISITS:

Anyone who has family in the hospital and wishes a visit from the Parish please let the office know. Unless you tell us **we do not know** if a loved one is in the hospital. If you would like the Sacrament of the Sick **DO NOT WAIT TILL THE LAST MINUTE TO CALL AS A PRIEST MAY NOT BE AVAILABLE, GIVE A FEW DAYS NOTICE, PLEASE!!!**

When a patient is being admitted to hospital it is important that the family mention not only that he/she is Catholic, but that he/she is a member of St. Veronica's Church. This assists us with parish visitation. Anyone scheduled for an operation or is seriously ill, please contact the Parish Office to arrange the Sacrament of the Anointing of the sick **BEFORE** going to the hospital, to ensure that someone can come at that time.

POPE FRANCIS TO GO

"It is important always to know that the first word, the true imitative, the true activity comes from God, and only inserting ourselves into the divine imitative, only begging for this divine imitative, shall we be able to become — with him and in him—evangelizers."

"The new evangelization calls for personal involvement on the part of each of the baptized. Every Christian is challenged, here and now, to be actively engaged in evangelization; Indeed, anyone who has experienced God's saving love does not much time or lengthy training to go out and proclaim that love...Of course, all of us are called to mature in our own work as evangelizers. We want to have a better sense, we ought to let others be constantly evangelizing us. But this does not mean that we should postpone the evangelizing mission....In your heart you know that it is not the same to live without him; what you have come to realize, what has helped you to live and given your hope, is what you also need to communicate to others. Our falling short of perfection should be no excuse."

The Church, in her commitment to evangelization, appreciates and encourages the charism of theologians and their scholarly efforts to advance dialogue with the world of cultures and sciences. I call on theologians to carry out this service as part of the Church's saving mission. In doing so, however, they must always remember the Church and theology exist to evangelize, and not to be content with a desk-bound theology."

When you're tempted to lose patience with someone, think how patient God has been with you all the time.
