"YOU SHALL LOVE YOUR NEIGHBOR AS YOURSELF"

Jesus said to his disciples: "Love one another even as I have loved you."

2196 In response to the question about the first of the commandments, Jesus says: "The first is, 'Hear, O Israel: The Lord our God, the Lord is one; and you shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength.' The second is this, 'You shall love your neighbor as yourself.' There is no other commandment greater than these."

The apostle St. Paul reminds us of this: "He who loves his neighbor has fulfilled the law. The commandments, '*You shall not commit adultery, You shall not kill, You shall not steal, You shall not covet,'* and any other commandment, are summed up in this sentence, 'You shall love your neighbor as yourself.' Love does no wrong to a neighbor; therefore love is the fulfilling of the law."

Stewardship Awareness

"You, son of man, I have appointed watchman for the house of Isreal." Ezekiel 33:7
Many of us are generous with our gifts. However, how often is our generosity at the minimum level required? We do just enough or give just enough. Remember, the Lord calls us to be generous with all the gifts He has given us, to grow them and return them with increase.

Planned Parenthood is Spending $500,000 to Create an Army of Pro-Abortion Activists…

"Planned Parenthood just kicked off a campaign to set up 600 volunteer-led teams to promote abortion across the United States. Each team in the abortion group's "pink army" will be located near one of its 600-plus facilities, according to the group. ...According to the abortion group, these teams will be heavily involved in political advocacy at the local, state and national level. One pro-abortion organizer told the liberal news site that they are gearing up with "lots of pink materials, including shirts" to become a "pink army" of abortion activists. According to the report, volunteers will be trained to organize protests and phone banks for elections, speak out at politicians' town halls, use digital programs to promote Planned Parenthood and more. Planned Parenthood leader Nilofar Ganjaie, of Seattle, said their hope is to build a grassroots base and "scale up in a way that we haven't been able to do." … Planned Parenthood's national organizing director Kelley Robinson said Planned Parenthood leaders decided that they needed to try a new strategy after their candidates lost so many races in November. "It was time for us to start going back tour block and tackle, meaning it was time to go back to the basics" ...Planned Parenthood continued to maintain its status as the largest abortion provider in the united States. The abortion group performed 328,348 abortions on unborn babies in 2015, and receives approximately half a billion taxpayer dollars every year. Meanwhile, U.S. congress is working on plans to defund the abortion chain of its taxpayer funding and pass new protections for unborn babies."
