## Catechism of the Catholic Church Work, Labor

**378** The sign of man's familiarity with God is that God places him in the garden. There he lives "to till it and keep it". Work is not yet a burden, but rather the collaboration of man and woman with God in perfecting the visible creation.

**2211** The political community has a duty to honor the family, to assist it, and to ensure especially:

- the freedom to establish a family, have children, and bring them up in keeping with the family's own moral and religious convictions;
- the protection of the stability of the marriage bond and the institution of the family;
- the freedom to profess one's faith, to hand it on, and raise one's children in it, with the necessary means and institutions;
- the right to private property, to free enterprise, to obtain work and housing, and the right to emigrate;
- in keeping with the country's institutions, the right to medical care, assistance for the aged, and family benefits;
- the protection of security and health, especially with respect to dangers like drugs, pornography, alcoholism, etc.;
- the freedom to form associations with other families and so to have representation before civil authority.

**2433** *Access to employment* and to professions must be open to all without unjust discrimination: men and women, healthy and disabled, natives and immigrants. For its part society should, according to circumstances, help citizens find work and employment.

## St. Vincent DePaul Society News

Thank you for your continued support of the St Vincent dePaul Society. Through your generous donations, we have been able to assist many Neighbors in Need. While most of the calls are for utility assistance, we have been able to help a single, expectant mother get new tires on her vehicle so she could continue to work to support her young family. Another single parent is getting the help she needs to get heat in her vehicle, just in time for winter. By utilizing special donations, a retired disabled health worker is able to stay in her home. With the cost of living on the rise, an increase in requests is expected. Thank you once again for your continued support. You are invited to become a Vincentian. You will see the face of Christ in those you help and through your service, our Neighbors in Need will see the face of Christ in you.

## Stewardship Awareness

### 33<sup>rd</sup> Sunday in Ordinary Time

*"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us."*2 THESSALONIANS 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.
