WE ARE CALLED

to mission of *Jesus*, to know, love, serve and share the Gospel.

STEWARDSHIP MATTERS

God's provision is often most evident to those who live with gratitude and generosity. Many find it hard to believe, especially if they haven't embraced a stewardship way of life. Skepticism prevails, leading some to dismiss these blessings as mere coincidences. But to truly understand, one should attempt living a stewardship lifestyle.

Dedicate a month to selflessly offering your time in prayer, employing your talents in acts of charity, and sharing your wealth. Through this commitment, witness firsthand how God unfailingly meets your needs.

Have you had a profound or blessed experience in living a life of stewardship? Share your story with friends and family!

ALTAR SERVER TEAM NEEDS YOU!

OCTOBER IS RESPECT LIFE MONTH

Pregnant and parenting moms in need are in our communities, often alone without a network of support. As Catholics, we are called to lovingly support mothers in welcoming and caring for their children. Moms in need should see the Catholic Church as a place they can come for compassionate assistance and accompaniment on the journey of motherhood. Visit www.WalkingWithMoms.com to learn more about the Church's efforts to increase support for mothers and their children through Walking with Moms in Need—and how your parish can participate.

Your Role Matters:

Become a Blood Donor Today

Did you know that every two seconds, someone in the U.S. urgently needs blood? It's a startling statistic that highlights the constant demand for blood donations to support individuals battling various medical conditions. Your role as a blood donor matters more than you may realize.

Picture this: a little girl in the ICU fighting for her life, or a mother bravely battling Stage 3 leukemia. These are just two examples of the countless lives that depend on the generosity of donors like you. It's a simple act that can have an immeasurable impact on someone's life.

If you've ever been hesitant about donating blood because of a fear of needles, rest assured that the experience is often described as a mild, split-second pinch. The entire process is not only safe but also remarkably fast. In just a short amount of time, you can potentially save up to three lives.

Your contribution to a blood drive, like the upcoming Knights of Columbus Blood Drive on October 21, can make all the difference. Whether you're a regular donor or considering it for the first time, your decision to give the gift of life is truly admirable.

Don't underestimate the significance of your role in this vital process. Your blood donation could be the lifeline that a patient desperately needs. Be a part of this life-saving mission, and you'll experience the incredible satisfaction of knowing you've made a positive impact.

Join us on October 21 and become a hero for those in need. Register at donors.vitalant.org with the Blood Drive Code: K8895 or call 805-542-8500 to schedule your appointment.
