Building Update Week 1

Thank you to all who came to Parish Clean Up on Saturday! We made some significant strides in getting ready for the construction to begin by moving some shrubs and trees to the Prayer Garden, If you haven't been for a while, take a walk over, it looks even more beautiful!

As we get closer to beginning construction, we wanted to make sure we had several different avenues for communication. Beginning with the honorary groundbreaking on Sunday, we will be publishing weekly updates that will be found on our facebook page, our website, on My Parish App, and the weekly bulletin!

If you aren't live on our facebook page or My Parish App it's really easy. **Facebook:** <https://www.facebook.com/SaintMichaelCatholicChurchSnohomish/>

OR: Go to your facebook page and search for St Michael Snohomish. Once the page comes up click the "Like" button, and you will receive the updates as they are published

My Parish App: From your smartphone, go to the App Store for iPhones or Google Play for Android, and search for My Parish App. Once you've downloaded the app, you can choose St Michael Parish and you get access to St Michael specific content.
