WELLNESS PANTRY

Our comprehensive client choice wellness pantry strives to provide healthy foods along with Nutrition Education Workshops, Recipe Sampling, Fresh Produce Distributions, and SNAP enrollment assistance.

Contact our office or check our website for up to date hours.

SAVE A SMILE

Good oral health care is a service many of us take for granted. However, far too many individuals lack access to consistent dental care. Because the lack of attractive, functional teeth can inhibit the ability to function socially, economically, and physically, Catholic Charities partners with local dentists to provide clients with dentures to make a positive impact on all aspects of their life.

MOBILE CLEAN OF HEART

Mobile Clean of Heart is a mobile shower & bathroom unit that serves our homeless community and those without access to hot water. This program is not only vital to our client's health and hygiene, but also restores their mental well being. Hygiene products, towels, clean clothing and resources are provided.

Contact our office to learn of the upcoming shower dates and how to partner to provide future service sites.

HOPE HEALTH CHAT

Hope is a FREE chatbot service providing encouragement and strategies on how to manage everyday stress and anxiety. Hope is anonymous, private, and available 24/7.
