A father is a man who loves without cost to his children and tries to raise them to be fully human creatures with the abilities to make a difference in our world. Some fathers are successful, some are not. However, almost all try their best. This Father's Day, let your dad know that you appreciate all his efforts.

Strength

Your strength in helping me to tell right from wrong was a great gift.

Honor

You taught me that to honor myself was a way to honor the God who made me.

The Holy Eucharist DID YOU KNOW?

This Sunday is the Feast of the Most Blessed Trinity. Each time we make the sign of the Cross, we proclaim our belief in the Three Divine Persons, who are our ONE God. The Trinity is a profound mystery of Faith. We acknowledge the Heavenly Father as the Creator; Jesus, His Son, as our Redeemer and the Holy Spirit our Sanctifier, who is the Love that exists between the Father and the Son.

The relationship of the three Divine Persons is a vibrantly dynamic LOVE. This love extends to all of creation and embraces each of us in a very personal manner. God desires that we each share in Their Divine Life of Love through an outpouring of grace. God actually comes to dwell within us, when we are in the state of grace. A human fully alive is a person in the state of grace.

REFLECTION: The Mass is a link to heaven and a portal into the Divine Life of grace. If we could see the spiritual benefits that we receive in the Holy Eucharist and the tender intimacy of Jesus' Presence within us, we would be astounded. If the veil of Faith was able to be lifted, we would understand more clearly why the Mass is the "foretaste and the promise of heaven".

ImmaCare & Prudence Crandall

We have received many thanks for all the kindness and generosity shown to ImmaCare and Prudence Crandall shelters through the Corporate Works of Mercy collections. Both shelters are struggling and these two truckloads of donations of household goods and personal care items are such a help to overstretched budgets. A personal note from PC said, "Your continued, collective efforts- these acts of love- to strengthen and ease the burden of our families means so much to us all. Thank you for your dedication and partnership in our work". As always, these donations send a message that people care, for many people who live lives in doubt.

As another shelter season of monthly homemade dinners winds down, there is no way to let all the St. Ann donors know how much their cooking skills and donations are appreciated. To those who cook a homemade entree every month, your huge and delicious meals have meant dinner for 2 nights throughout this year. With a decrease in the number of ImmaCare food groups, many times we were told that no group was signed up for the next day. As we overheard one night, *"it's that Avon group. We'll eat good tonight"*. Maybe because we also have people who donate appetizers- and straight through to better than bakery quality desserts! The caring continues the next day with homemade muffins for breakfast for the 75 men who leave for jobs, treatments, or who struggle to heal within the shelter. Donated coffee and supplies help fill in so many gaps. We will begin the monthly calendar in September but will make some random runs throughout the summer.

Please contact kfinocchio@gmail.com if you want to help. Thanks so much and have a wonderful summer!

DERBY SCHOOL SHOWCASES COUNTRIES AROUND THE WORLD

- Story by Karen A. Avitabile

Fourth graders Darius, Liam and Delia, left to right, show off displays about Germany they worked on for a schoolwide project, Around the World, sponsored by St. Mary-St. Michael School in Derby.
PHOTO BY KAREN A. AVITABILE

Students from St. Mary-St. Michael School in Derby took part in a first-time, hands-on “Around the World” project to learn more about different countries.

Each grade chose a country and learned about its geography, history, holidays, traditions, food, fashion, landmarks, language, sports, music, religion and so much more.

“Everybody did something different,” says Toni Ann LaMattina, principal of St. Mary-St. Michael School. “I gave them free rein.”

Some of the featured countries included Germany, Guatemala, Italy, Japan and Poland.

“This was an opportunity for the students to show off their work,” LaMattina says. “We never had a themed activity. This was a new thing.”

To showcase their country, each classroom wrote reports, decorated bulletin boards, created flags and gave presentations during an evening open house. A few multicultural dishes were prepared for guests to enjoy.

“In my first year as principal, it was so amazing to see the students show off their hard work that they completed in class,” LaMattina says.

“They were smiling from ear to ear, showing their parents and they were so welcoming to the new families that came in for a tour of our school.”

The eighth grade class focused on Italy. One student studied a particular city in the country. “I learned a lot about the history of Basilicata, Italy,” says student Shenaye. “It is very historical. I feel history builds our future.”

Guatemala was the class project selected by sixth graders. The students focused on the significance of the country, its geography, renowned landmarks and the country’s flag.

The three-panel, vertical flag is adorned by blue stripes on the left and right sides, which represent the Atlantic and Pacific oceans. The white stripe in the center represents peace and highlights the coat of arms shield of Guatemala, adopted after the 1871 Liberal Revolution.

Zarah says she enjoyed writing about Guatemala’s flag. “I learned about the stripes,” she says.

Fourth graders chose Germany for their country. Matias wrote about the history of the Berlin Wall. “I chose the Berlin Wall because back then, Germany was divided and East Germany built it to stop the people crossing the border,”

Around the World culminated with an evening open house. Parents, guests and new families to the school were invited to see the work by the students.

“The event was a great success,” LaMattina says. “We had many school families along with a handful of new families. I received much positive feedback from this event, and I plan to continue with it each year and change up the theme.”

The day after the open house, the principal recalls students asking her if they can do the project again next year “which showed that it was all worth it.”

The teachers enjoyed Around the World too, LaMattina says. “Not only did the students enjoy this project, but the teachers did as well.”

he wrote in an essay. “Today, you can still go there. Now it’s possible to pass the city with no worries.”

For Delia, she says learning some German words was a lot of fun. She adds she was surprised that hamburgers and pretzels are popular foods among German residents.
