People of Haiti (September 18-19)

On August 14th, a 7.2 magnitude earthquake struck the western part of the island of Haiti, killing nearly 1300 people. The quake destroyed homes and businesses, leaving thousands without shelter and communities in need of resources. Countless people are injured and hospitals are overwhelmed. Haiti is still recovering from the disastrous earthquake a decade ago and many people continue face food insecurity and severe drought. In addition, Haiti experienced the recent tropical storm Grace adding to the humanitarian disaster. Our 2nd Collection for the week of (Sept. 18/19) will be sent to the US Bishops' Emergency Disaster Fund. These funds, administered by Catholic Relief Services, will provide humanitarian relief to those in need in Haiti, as well as other places in the world. Let our generosity be a sign of our solidarity in Christ with and our brothers and sisters of Haiti.
