St Michael's  
Tuesday Newsletter  
September 24, 2019

Dear Parents,

A special thank you to all of you parents whose support has made these past four weeks a wonderful, positive experience for the teachers, staff, and students. Creating and sustaining a positive school culture, a combination of the spiritual, academic and social aspects of the school community, is an essential task for our Catholic Schools. We cannot do it without your generous volunteer involvement which:

- provides opportunities for the students to learn how to be cooperative, serve others and be kinder to each other;
- provides support for the students academically through extra assistance, enrichment activities;
- provides occasions to celebrate successes, both individual and group efforts;
- provides times for the children to pray, play, work, and celebrate!

If any of these areas you believe you would like to spend time with the students, please let us know. It can only make the school community and children stronger.

A special thanks to the Parents Club for a successful corn sale which generously supports school programs. It was successful they sold out at the 8:30 Mass. Kudos to Jessica Smoots and Fabiola Gutierrez, Parent Club presidents, for coordinating the event. Great sale! Thank you to Sno-Valley Farms for their generous corn donation.

Peace,  
Dr. Karen Matthews

## Parents Club NEWS:

## Turkey Trot!

Exciting Turkey Trot News! The Snohomish Running Company is generously bringing their start/finish line inflatable for students to run through at our school Turkey Trot. Last year's energy was so contagious, we hope that this will only add to the fun.

As a way to say thank you and to support our local Snohomish community, please consider volunteering at the upcoming Snohomish River Run events on Oct. 14 & 15. Our family (kids included) will be handing out medals at the 5K finish line. The list of jobs and times can be found here: <https://runsignup.com/Race/Volunteer/WA/Snohomish/TheSnohomishRiverRun>

When registering as a volunteer be sure to list St. Michael School as your organization. Looking forward to all of the fall outdoor fun!

Exciting news! Box Tops is going digital and there is a new app out for Box Tops earnings! Simply download the Box Tops App from Apple Store or Google Play, make an account, and find and select St. Michael's as your school. (Make sure it's the correct school) After that, look for the Box Tops app label on products you buy and then scan each receipt from participating stores to earn money for St. Michael's School. It will automatically add the earnings to our school. You can still turn in the Box Tops clippings to the office if you have some and I will send them in. Please let me know if you have questions or need help!
