FEBRUARY 4, 2024 THE FIFTH SUNDAY IN ORDINARY TIME

Marriage
 Marriage is the intimate union and equal partnership of a man and a woman. It comes to us from the hand of God, who created male and female in his image, so that they might become one body and might be fertile and multiply (See Genesis chapters 1 and 2). Though man and woman are equal as God's children, they are created with important differences that allow them to give themselves and to receive the other as a gift.

Marriage is both a natural institution and a sacred union because it is rooted in the divine plan of creation. In addition, the Catholic Church teaches that the valid marriage between two baptized Christians is also a sacrament – a saving reality and a symbol of Christ's love for his church (See Ephesians 5:25-33). In every marriage the spouses make a contract with each other. In a sacramental marriage the couple also enters into a covenant in which their love is sealed and strengthened by God's love.

The family arises from marriage. Parents, children, and family members form what is called a domestic church or church of the home. This is the primary unit of the Church – the place where the Church lives in the daily love, care, hospitality, sacrifice, forgiveness, prayer and faith of ordinary families.
