### FROM FR. JOHN'S DESK

Everyone in this world is anxious or fearful about something. It ties in with stress and worry. Today many people around us are facing tough economic times including loss of jobs, loss of homes, and nowhere to turn. When we experience fear or anxiety in our lives we tend to underestimate God's power and what He can do for us. We trust a great deal in ourselves and ignore God's presence. Often we feel the situation in which we find ourselves in is too big for God. We must remember that God created the storms and everything else in nature. No matter how doubtful we may feel he is still in complete control over everything. Understanding God means that he can calm the storms in our lives if we will only have a little faith. We may not go through the physical storm as the disciples did. But we all have been through many other storms in our own lives like sickness, losing a job, failures, personal weakness, death of a loved one, accident, depression, hopelessness, etc., where we feel helpless. We may think or feel like God does not care. He seems to be sleeping and is not answering our prayers. Jesus is a teacher, leader, speaker or great man. But it is when we realize his true identity, we can entrust him our whole life. We may have been through many storms in our personal walk with Jesus, and have seen his faithfulness and power at work in due time. We have to learn not to doubt but to completely trust him. God bless.

**JOINT Pastoral & Finance Council Meeting:** Monday, June 21<sup>st</sup> at 6:00 p.m.

### HAPPY FATHER'S DAY

"A father is neither an anchor to hold us back nor a sail to take us there, but a guiding light whose love shows us the way." —Unknown

"Dads are most ordinary men who are turned by love into the biggest hero, adventurers, storyteller and singer of songs." —Pam Brown

"A father is a man who expects his son to be as good a man as he meant to be." —Frank A. Clark

### MEDITATION POINT

"Each of you knows that the foundation of our faith is charity. Without it, our religion would crumble. We will never be truly Catholic unless we conform our entire lives to the two commandments that are the essence of the Catholic faith: to love the Lord, our God, with all our strength, and to love our neighbor as ourselves." Blessed Pier Giorgio Frassati.

"Know, dearest daughter, how, by humble, continual, and faithful prayer, the soul acquires, with time and perseverance, every virtue. Wherefore should she persevere and never abandon prayer... The soul should advance by degrees, and I know well that, just as the soul is at first imperfect and afterwards perfect, so also is it with her prayer. She should nevertheless continue in vocal prayer, while she is yet imperfect, so as not to fall into idleness. But she should not say her vocal prayers without joining them to mental prayer, that is to say, that while she is reciting, she should endeavor to elevate her mind in My love, with the consideration of her own defects and of the Blood of My only-begotten Son, wherein she finds the breadth of My charity and the remission of her sins." St. Catherine Of Siena.

### STEWARDSHIP REFLECTION

In today's Gospel we listen to Jesus' disciples crying out in fear of a great storm. Their cry echoes the cries of people around the world during the pandemic. It is the ultimate cry of fear, doubt and abandonment. It is a parable of the situation of all of us when cast adrift in the storms of our lives, seemingly without God's presence and care. But God is with us. Jesus does calm the storm for his disciples. Good stewards have faith that they do not live in a world where they should live in fear and chaos, seeing themselves alone and abandoned by God. Reflect this week on your own faith in the promises of Jesus. Do you believe Jesus is in our midst and can calm the storms in our lives?

"The he asked them, 'Why are you terrified? Do you not yet have faith?'" — Mark 4:40

Do you really trust God? Is God your first choice or last resort? Is your faith something you just do on Sunday or do you live the Gospel message every day of the week? Many of us know about God. How many of us have a personal relationship with Him? Start now, open your heart to receive our Lord. Talk and listen to Him throughout the day, in all circumstances.

Be a Witness of Charity- Support the Holy Father's Charitable Works – **Be a Sign of Mercy** - *[Jesus] journeyed from one town and village to another, preaching and proclaiming the good news of the kingdom of God. Accompanying him were the Twelve...and many others who provided for them out of their resources. —Lk 8:1, 3*

On June 26-27 the Diocese of Fort Worth will take up the **Peter's Pence Collection**. Funds raised during this collection support the Universal Church and help the Holy Father as he shows mercy to the neediest people around the world, in recognition of the common humanity shared by peoples of all ethnicities and religious backgrounds.

In this spirit of mercy, Pope Francis helped the people of Iran when they suffered death and catastrophic damage from floods in March and April 2019. More than 10 million people suffered property damage, and the city of Ahwaz and numerous villages were evacuated. Two million people required immediate assistance. Pope Francis donated €100,000 to direct relief efforts coordinated by the Iranian Red Crescent Society, in which Caritas Iran also participated.

By participating in the **Peter's Pence Collection**, you join the Holy Father's efforts to show mercy to all in two ways: you support the ongoing activities of the Holy See, and you contribute to the charitable works of the Holy Father on behalf of those who are most in need. Our Catholic tradition calls us to provide for the material needs of the Church, and the **Peter's Pence Collection** is one of the opportunities we have to do so. When you answer the call, you build up the Church so that it will continue to minister to all for generations to come.

Please prayerfully consider supporting this year's collection as an act of mercy and charity. Join our brothers and sisters in faith from around the globe to help Pope Francis in his ministry to the Universal Church and in reaching out to the most marginalized in our world. You may support the collection when it is taken up in your parish or at <https://bit.ly/DioceseSpecialCollections>.

# VBS 2021 CATHLETICS..

## Training to be Champions for Christ

### **PRO LIFE ARTICLE: DON'T BLAME GOD FOR EVERYTHING BY RUTH WEBER**

I am writing in response to a letter headlined 'God cannot be paying attention.' Why is it that people blame God whenever things go wrong, but when things are running smoothly, they ignore Him?

Why not put the blame for all evil on the devil where it belongs? He tempts and leads mankind to sin. Wars are the direct result of the sins of mankind. God gave us the gift of life. Each and every baby is a gift from God to be loved and nurtured, not to be aborted or abused. Abortion is the wrong choice. It is a sin that destroys a life.

The God most people know is an all good, all loving and all merciful God, all perfect and, as such, cannot do evil. He also gave all of us the gift of free-will to make our own decisions whether they are right or wrong. It's up to us to choose the path that leads to Heaven and Him.
