## Spirit and Truth Newsletter

### **DRIFT**

Dear St. Philip parishioners, in a recent Daily Mass Reflection, we were made aware of DRIFT in our daily lives. Another alert was to recognize that small things always lead to greater things. Am I less patient, more sarcastic (especially to those closest to me), more self-centered, than a year ago? That first venial sin, over months or years, can lead to greater wrong things. It is so easy to justify: "it's not so bad, not even wrong really, just a 'little imperfect'." Yes, **deviation from expected or ideal behavior, is DRIFT.**

Matthew gives us good advice; stay "on the straight and narrow." And James cautions of being lured by our desires.

"Enter by the narrow gate; for the gate is wide and the way is easy, that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard, that leads to life, and those who find it are few." *Mt7: 13-14*

". . . but each person is tempted when he is lured and enticed by his own desire. Then desire when it has conceived gives birth to sin; and sin when it is full-grown brings forth death." *James 1: 14-15*

Driving on I-45 in H-Town rush hour, it is essential to "stay in your lane," and not DRIFT into danger. New cars feature lane departure warning systems, designed to warn the driver when the vehicle begins to DRIFT. They detect even small values of DRIFT and can immediately induce a steering input to correct direction. Wouldn't it be great if, instead of "computer take the wheel," in our daily lives we could have "Jesus take the wheel" as the country song lyrics

Religious freedom is rooted in human nature, and therefore it is a fundamental human right. When we speak up for religious freedom, we do so not only for ourselves, but because we are called to defend the dignity of every individual and community that seeks the truth about God... ## Join Us for Daily Mass

**Three more wonderful reasons  
for attending daily Mass.**

### 1. God is calling you to a deeper relationship

When we first start going to daily Mass, we feel a strong calling. The workings of divine providence help to remove obstacles. A good daily-Mass prayer is: "Dear God, you know how much I need you to get through the day. If it is your will for me to attend Mass, **make is possible** for me." He usually does.

### 2. The Word of God

Hearing the Word of God proclaimed every day fosters a deeper understanding of scripture and the desire to know more. The Word becomes alive

in your heart and you find yourself pondering something that you heard later in the day. Also, the lectionary readings seem to provide the exact words needed in difficult times.

### 3. Breakfast with Jesus.

Daily Mass is like the time that the risen Lord cooked fish on a charcoal fire and served bread to the apostles on the beach. **John 21:12** *Jesus said to them, "Come and have breakfast."* He wants to feed you, too! He loves you so much, He wants to become a part of you, and to give you daily bread. What better way to start the day?

## Devotion to the Precious Blood of Jesus

Traditionally, the Catholic Church dedicates each month of the year to certain devotions. The faithful are encouraged to honor the Precious Blood always and especially during the month of July.

Consider making an act of love to the Precious Blood every day this month attend daily Mass, pray the Chaplet of the Most Precious Blood, adore our Lord in the Adoration of the Blessed Sacrament, and pray the "Prayer of St. Catherine of Siena to the Precious Blood of Jesus".

Precious Blood,  
Ocean of the Divine Mercy;  
Flow upon us!  
Precious Blood,  
Most pure offering:  
Precure us of every grace!  
Precious Blood,  
Hope and refuge of sinners:  
Atoned for us!  
Precious Blood,  
Delight of holy souls :  
Draw us! Amen.

## Vatican Express VBS — A Huge Success

“St. Peter’s Square” at SPCC hosted 48 campers and 32 volunteers week of June 10 – 14. Our young parishioners spent the week learning all about The Vatican, the popes, the Swiss Guard, St. Jerome and more.

We talked about the treasures in the Vatican Museums. The greatest treasure the Vatican has, we have right here at St. Philip’s too: the Eucharist. We were able to receive this greatest treasure when the whole camp joined Father Barker for Tuesday noon Mass. St. Jerome and his wounded lion joined us on Wednesday, and ‘Pope Francis’ came to answer our questions on Thursday. On Friday, the kids learned what a Conclave looks like to elect a new pope.

- \* Bible rotation—The kids played Eucharist Bingo, painted the Sistine Chapel like Michelangelo, learned about being Fishers of Men, and about Adoration and the Monstrance.
- \* Games— They played ‘Apostle Musical Chairs and gave their group leaders ‘St. Peter’s beard’.
- \* Crafts — Campers made St. Peter light catchers, papal flags and monstrance. They participated in a papal march around the church campus.
- \* Music — Everyone learned to sing ‘Standing on the Rock’ a major theme of our week, and lots of other catchy songs we will all be singing in our heads for many weeks to come.

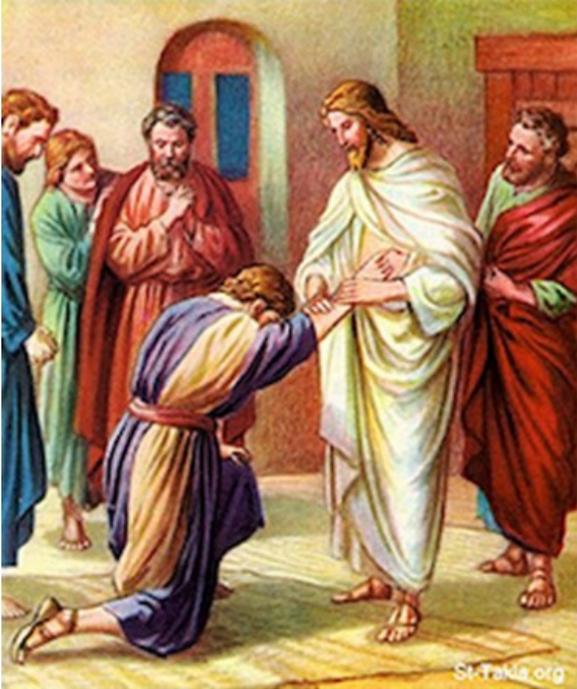

Thank you to all the teen volunteers who came out the previous week to decorate the hall and classrooms to give the kids the feeling of being at the Vatican, and all the volunteers who made this week possible for our parish children. Also, a huge thank you to all of you who contributed supplies and monetary funds for VBS; we could not do it without your generous assistance.

Please plan to join us next summer,

Monday, June 15 through Friday, June 19 for “Parade Around the Our Father “VBS!

## July 3 – St. Thomas: Inquiring, Doubting, Amazed

**Saint Thomas**

John 20: 24-29 Now Thomas, one of the twelve, called the Twin, was not with them when Jesus came.

So the other disciples told him, "We have seen the Lord." But he said to them, "Unless I see in his hands

the print of the nails, and place my finger in the mark of the nails, and place my hand in his side, I will not believe."

Eight days later, his disciples were again in the house, and Thomas was with them. The doors were shut, but Jesus came and stood among them, and said, "Peace be with you."

Then he said to Thomas, "Put your finger here, and see my hands; and put out your hand, and place it in my side; do not be faithless, but believing.

Thomas answered him, "**My Lord and my God!**"

Jesus said to him, "Have you believed because you have seen me? **Blessed are those who have not seen and yet believe.**"

**PRAYER:** Almighty God, let us proudly rejoice as we celebrate the feast of St. Thomas the Apostle. May we be helped by his patronage and, believing, have life in the Name of Jesus Christ Your Son, whom he confessed to be the Lord. Amen

## Mary's Blessings Update

**St. Gemma Galgani**

3/12/1878 – 4/11/1903

*Pray for us and those  
we serve.*

*Patron saint for the poor  
and the unemployed.*

Dear parishioners; Your social ministry, Mary's Blessings, has been back in operation for almost six months now. We have not been as busy as we used to be, but that is understandable considering we were out of mind for so many for so long. We have had to reduce the area we serve until our income base returns to our pre-Hurricane Harvey level.

During the first five months of this year, we have had the resources to serve 31 families. By comparison, we served 60 families the first five months of 2017. Thus far, this year we have spent \$5,534.54 on rent, utilities and gift cards for gasoline and perishables to aid the needy in our immediate area. Though our parishioner base is not as robust as it once was, Mass attendance continues to steadily grow. We prayerfully encourage parishioners to increase their monthly contributions just a little more so that we may assist those in need. Thank you for your charitable donations.

*"Whoever cares for the poor lends to the LORD, who will pay back  
the sum in full." Proverbs 19:17*

# DRIFT

Continued from page 1)

suggest?

As an engineer, “DRIFT is DEVIATION from an expected or desired outcome caused by control instability.” In GM Manufacturing, we had routine inspection sampling of critical dimensions to assure that ALL parts were within designed ranges. When DRIFT in the specification began appearing, alarms would alert quality control to IMMEDIATELY re-calibrate the process. Without ongoing inspection, thousands of “scrap” components could be installed in cars with unsafe or unreliable results. *(How much “scrap” do we generate by accepting DRIFT in our behavior?)*

In the past, we vacationed on a small cruiser in Puget Sound, using Navigation Aids. We carefully pre-plotted speed and compass headings towards landmarks (lighthouse, red/green buoys, etc.). It was not uncommon, after about one hour, to realize that a combination of ocean current, compass, and speed DRIFT (unstable control!) led us **frighteningly far from our expected destination**. *(How many times to we notice how far we have drifted from The Best Version of Ourselves?)*

So it is with life! After months/years of DRIFT, we all-to-often find ourselves examining our conscience for Reconciliation, thinking to ourselves, as St. Hildegard of Bingen, Germany (1098-1179) wrote: *“Where am I? **How did I get here?** Whom can I ask to comfort me? Dear God, what will become of me?”*

I seem to have a “bottom 5” set of behaviors that I just can’t seem to eliminate from my life. My pledge is to work on these by not letting myself DRIFT into complacency and self-justification, but to re-calibrate, say “it’s NOT OK,” and to stop deviating from what I know to be righteous.

It seems so simple, just not easy! With diligence, maybe I will someday be able “to enter by the narrow gate.” Sincerely in Christ, Tim Logsdon

**Jesus, I Trust in You!**

# Independence Day Prayer

God, source of all freedom,  
this day is bright with the memory  
of those who declared that life and liberty  
are your gift to every human being.

Help us to continue a good work begun long ago.  
Make our vision clear and our will strong:  
that only in human solidarity will we find liberty,  
And justice only in the honor that belongs  
to every life on earth.

Turn our hearts toward the family of nations:  
to understand the ways of others,  
to offer friendship, and to find safety only in the  
common good of all.

We ask this through Christ our Lord. Amen.

#### Women/Young Women/Girls:

Clothing not proper: flip-flops, shorts, cutoffs, t-shirts, sloppy jeans, tank tops,

## Receiving Holy Communion

**When receiving the Blessed Sacrament**—Receive the Sacred Host carefully *always in front of the Eucharistic Minister. Never reach out to “take” the Blessed Sacrament from any minister.*

Receive Holy Communion with both hands free, one hand palm up with the other hand underneath. If you have only one free hand, please receive the Sacred Host on your tongue.

**When receiving the Precious Blood from the chalice**—Please take a sip, not a swallow. Lipstick residue on the chalice is highly inconsiderate of the sensitivities and health of others who must share the same sacred vessel. The white linen purificators used by our Eucharistic Ministers are expensive, and our Women’s Guild spends hours and hours trying to clean them. We are throwing away too many.

Thank you for your respectful cooperation!

# The Liturgy of the Word

## The Mass: Structure & Meaning Series

Most of the Liturgy of the Word is made up of readings from Scripture. During most of the year, the first reading is from the Old Testament and the second reading is from one of the New Testament letters. During the Easter season, the first reading is taken from the Acts of the Apostles which tells the story of the Church in its earliest days. The last reading is always taken from one of the four Gospels.

In the Liturgy of the Word, the Church feeds the people of God from the table of his Word. The Scriptures are the word of God, written under the inspiration of the Holy Spirit. In the Scriptures, God speaks to us, leading us along the path to salvation.

The Responsorial Psalm is sung between the readings. The psalm helps us to meditate on the word of God.

The high point of the Liturgy of the Word is the reading of the Gospel. Because the Gospels tell of the life, ministry, and preaching of Christ, it receives several special signs of honor and reverence. The gathered assembly stands to hear the Gospel and it is introduced by an acclamation of praise. During most of the year, that acclamation is "Alleluia!" derived from a Hebrew phrase meaning "Praise the Lord!"

After the Scripture readings, the celebrant preaches the homily. In the homily, the focus is on the Scripture texts or some other texts from the liturgy, drawing from them lessons that may help us to live better lives, more faithful to Christ's call to grow in holiness.

In many Masses, the Nicene Creed follows the homily. The Nicene Creed is a statement of faith dating from the fourth century. In certain instances, the Nicene Creed may be replaced by the Apostles' Creed (the ancient baptismal creed of the Church in Rome) or by a renewal of baptismal promises, based on the Apostles' Creed.

The Liturgy of the Word concludes with the Prayer of the Faithful or the General Intercessions. The gathered assembly intercedes with God on behalf of the Church, the world, and themselves, entrusting their needs to the faithful and loving God.
