THE DIAKONIA RETREAT CENTER

PANAGIA CHAPEL

CH _ RCH

WHAT IS MISSING?
YOU ARE.

The Panagia Chapel at the Diakonia Retreat Center depicts different designs that derive from the Byzantine era. It will allow visitors to connect with a civilization that dates back over a thousand years. By connecting with our roots and tradition through the design of the chapel we are engaging our “Ellinochristianikos Politismos,” or our “Helleno-Christian Civilization.”

Donate today to be a critical part of making this vision a reality.

iconostasis \$60,000

A low marble icon screen crafted in the earliest style. It provides a barrier to the holy altar yet allows an unobstructed view.

synthrono \$40,000

The *synthrono* is seating in the apse of the church in the back of the altar. It combines the bishop's throne and seating for clergy. It will be carved from marble. It is in bench style without the arms forming individual seats to allow for more seating behind the altar.

ayia trapeza \$80,000

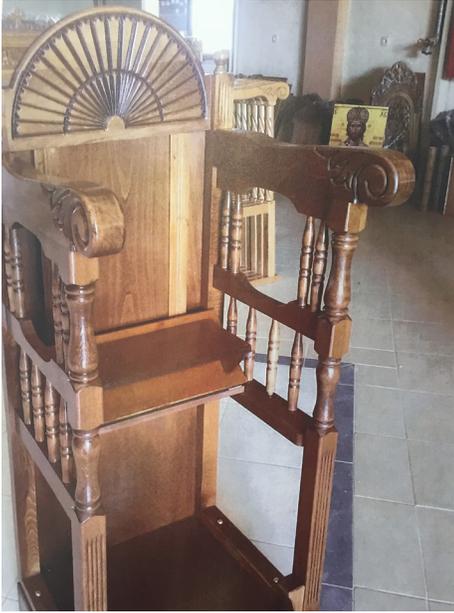

Hand-carved from white pentelic marble with accents in other colors, the *ayia trapeza* is covered, in the ancient manner, with a *kivorion*, which represents the heavens.

koghi \$8,050 x 2 pieces

A small altar table, placed to the left of the altar and is dedicated to the Precious and Life-Giving Cross. A second is placed to the right and dedicated to St. Andrew.

stasidia \$850 x 75 pieces

The *stasidia* is made of wood and carved with a simple pattern. It will stay against the wall so the marble floor will not be covered. The chapel will have 75 of these.

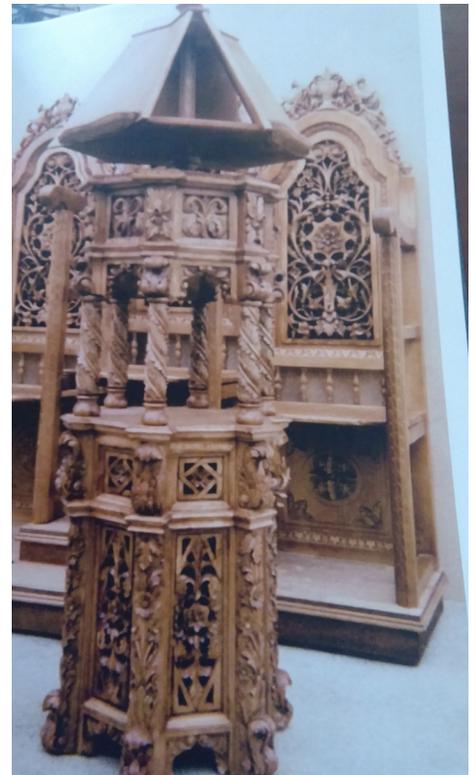

icon stands \$8,050 x 2 pieces

This *icon stand* is hand carved from oak and will feature detailing on the base like the one pictured above. The chapel will have two of these.

psaltírion

\$6,050 x 2 pieces

The *psaltírion* is made of wood and will feature intricate carvings. The chapel will have two of these.

throno \$50,000

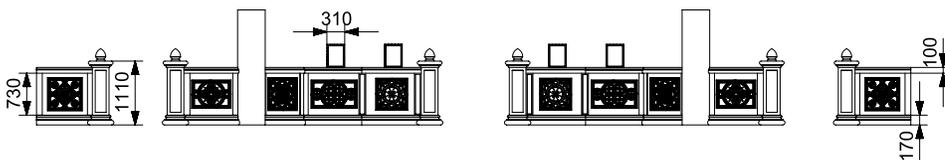

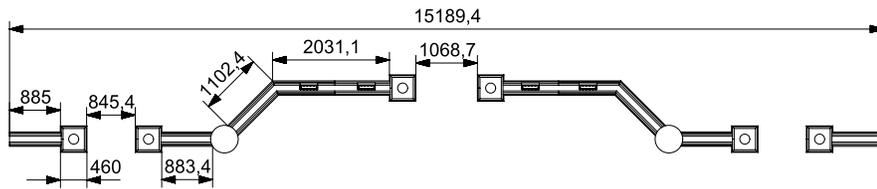

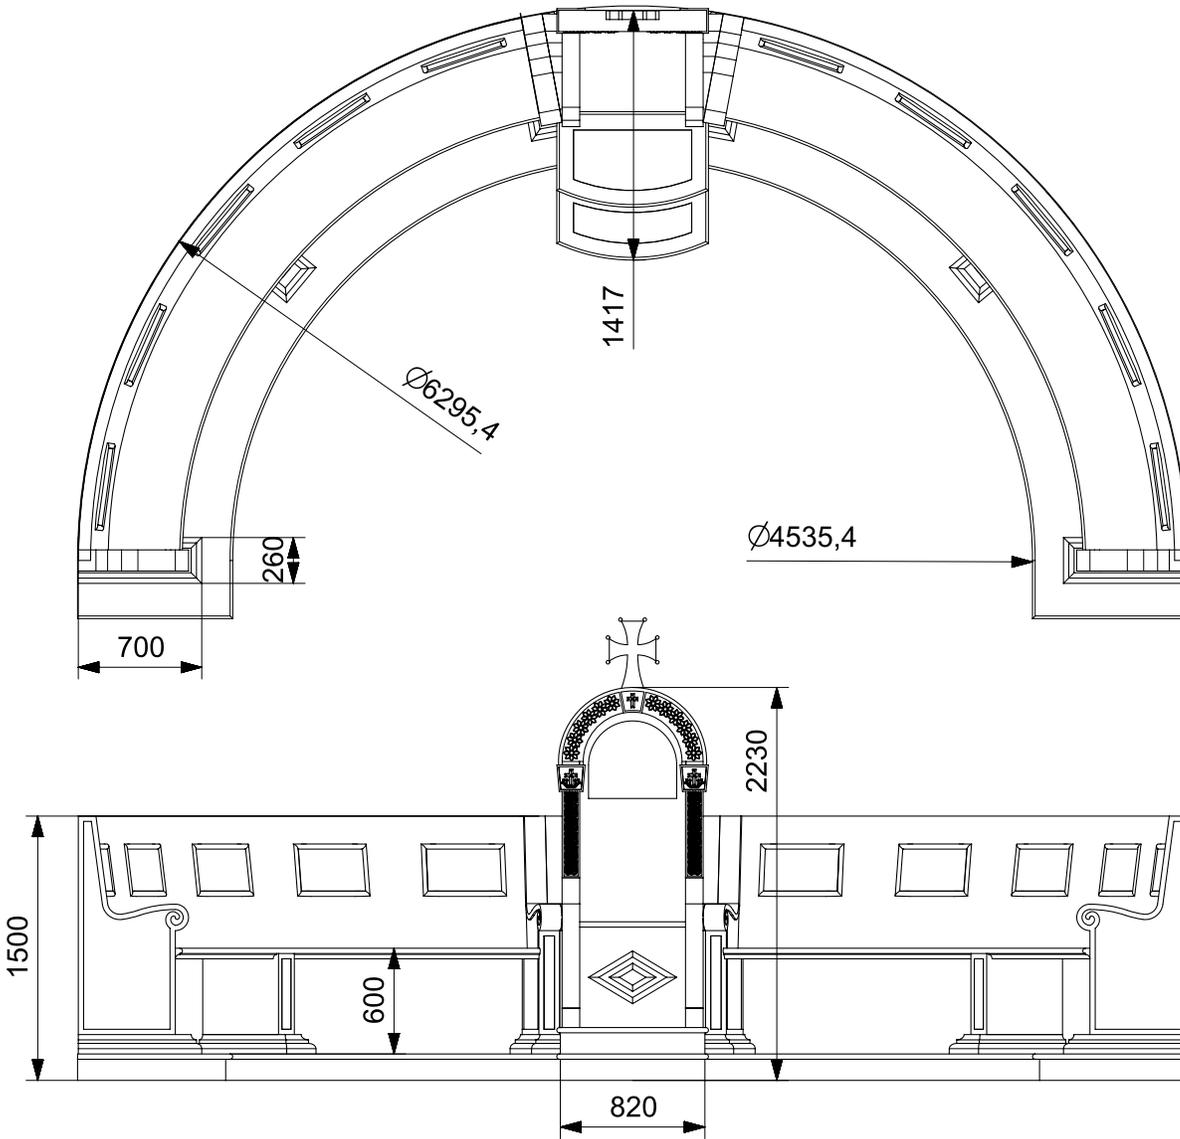

The *throno* is made of marble and will have the detailing shown above with the peacocks. Instead of the carpet, the steps will have the marble design pictured above.

prothesis \$7,000

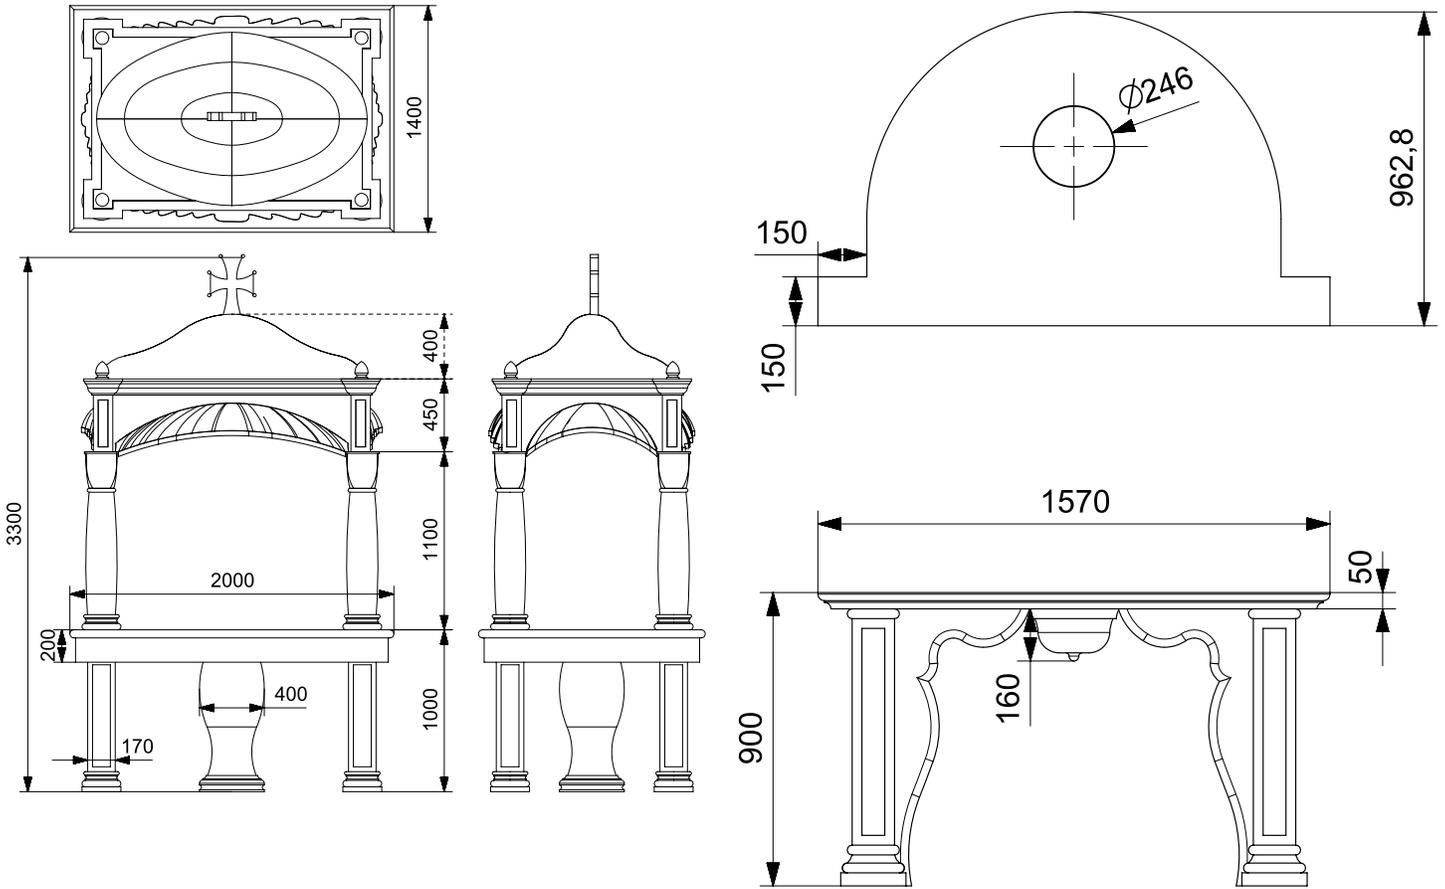

This *prothesis* is a marble table on which the communion bread and wine are prepared.
