

## **HOLY TRINITY GREEK ORTHODOX CHURCH**

**RALEIGH, NC**

### ***GOALS OF RELIGIOUS EDUCATION PROGRAM***

- ◆ To learn and experience Orthodoxy as a “way of life”
- ◆ To unite with and share a life in Christ
- ◆ To perpetuate an interest in worship, service, and Orthodox thought and theology that will carry throughout adult life

Students are exposed to and taught theology primarily through the divine services of the church. Sunday school lessons will focus on helping students develop a personal relationship with God through active participation in the Divine Liturgy and special services of the Church, and teaching the elements of Holy Tradition and Scripture that are the source of Orthodox faith, doctrines, and practices.
