Catholic Schools Week 2016

We consider it our great opportunity and responsibility to be able to provide a quality education to all of the children attending St. Cecilia School. I know parents of students in our school feel grateful that they have an alternative in St. Cecilia. I know it pleases all in the parish that we are able to support such a great endeavor as fulfilling a dream of parents to send their child to a great Catholic school.

Besides giving credit to the parish for supporting Catholic education, I cannot help but make sure I mention our principal, Mike Goedde, his staff, and our parish staff. Mike and the exceptional staff have done an excellent job raising the standards and instilling a Catholic culture that teaches reverence first and foremost. I think you would be impressed with our students' demeanor at Mass as well as their knowledge of their faith.

I hope all parishioners will take advantage of the opportunity this weekend to tour our school. I think you will be impressed with the many facility updates and changes that have been made in the past year that really have made our school an attractive option for not only parents of students but teachers as well.

Amen? Amen!

Fr. Jesse

THE READINGS FOR THIS WEEK

To Love is Divine

Jeremiah 1:4-5, 17-19

Psalm 71:1-6, 15, 17

1 Cor 12:31—13:13

Luke 4:21-30

"There are in the end three things that last: faith, hope, and love, and the greatest of these is love."

— 1 Corinthians 13:13

If we have not love, we are nothing (1 Cor 13:2). If we have not love, our best efforts are useless (1 Cor 13:3). "The man without love has known nothing of God, for God is Love" (1 Jn 4:8). "The man who does not love is among the living dead" (1 Jn 3:14). Life without love is death. We must have love.

However, it is humanly impossible for us to truly love. It seems that we are able to love some people almost naturally. However, without divine intervention, either this is not true love or God is helping us love without us knowing it. To love is divine. Even the various expressions of love are divine. For example, "to err is human, to forgive is divine."

To love, we must realize the necessity of love and its impossibility by human powers. Then we will ask the Lord to give us the miracle of love. He will do this by loving us first (1 Jn 4:19) and purifying us through obedience to the truth (1 Pt 1:22). Love is the fruit of a great, multi-faceted work of the Spirit (Gal 5:22). He graces us with faith, virtue, discernment, self-control, perseverance, piety, care for our brothers and sisters, and finally love (2 Pt 1:5-7). Love is a miracle resulting from a series of miracles. To act from a heart of love, that is, charity, is also a miracle. To love is divine.

Ask God for love several times a day. He is the only Source of love, for He is Love (1 Jn 4:16).

- **Prayer:** Father, may I receive Your love and grow in Your love so I can give love and act out of charity.
- **Promise:** "Before I formed you in the womb I knew you, before you were born I dedicated you." —Jer 1:5
- **Praise:** Praise You, risen Jesus, soon to come in glory. Be glorified in our lives. Alleluia!

A CLOSER LOOK AT OUR FAITH

(kat'i-ke'sis) n.

What *is* heaven?

Heaven is the endless moment of love. Nothing more separates us from God, whom our soul loves and has sought our whole life long. Together with all the angels and saints we will be able to rejoice forever in and with God.

If you have ever observed a couple looking at each other lovingly or seen a baby nursing who looks for his mother's eyes as though it wanted to store up every smile forever, then you have some inkling of heaven. To be able to see God face-to-face—that is like one, single, never-ending moment of love. (YOUCAT question 158)

Saint Agnes (d. ~258)

Almost nothing is known of this saint except that she was very young—12 or 13—when she was martyred in the last half of the third century. Various modes of death have been suggested—beheading, burning, strangling.

Legend has it that Agnes was a beautiful girl whom many young men wanted to marry. Among those she refused, one reported her to the authorities for being a Christian. She was arrested and confined to a house of prostitution. The legend continues that a man who looked upon her lustfully lost his sight and had it restored by

her prayer. Agnes was condemned, executed and buried near Rome in a catacomb that eventually was named after her. The daughter of Constantine built a basilica in her honor. — www.americancatholic.org

PASTOR'S RAMBLINGS

GRANDPARENTS: Our staff grandparents are pictured above, from left to right. Our secretary, Barb Browarsky, has six grandchildren. Her son, John, has five children, and the little girl is her daughter Jean's baby. Our music director, Bob Kellison, has two grandchildren. The newest grandmother on staff is our parish housekeeper, Cathy Schneider. + **AVERY JAMES WOODALL:** Our director of business affairs, Vince Woodall, and his wife, Stephanie, welcomed their second son

(photo, below) on Jan. 19. He weighed 8.4 lbs. and was 22.5 inches long. Mother and baby are doing very well. Big brother Oliver is happy to have his little brother. Congratulations, Woodall family! + **BELLS:** Our church bells were installed in 1928. There are four in number weighing 800, 650, 500, and 450 pounds. The bells were named St. Joseph, St. Mary, St. Henry, and St.

Catherine, respectively (photo, below). While the bells were not part of the initial scope of the parish renovations, they were identified, along with organ repairs, as something we

cannot ignore restoring in the near future. With monies from the festival proceeds now being allocated to capital projects, the bells will more than likely be the next capital project taken on by the parish. + **VACATION:** I was able to take a few days off after the Christmas season to visit my two sisters

and their families in St. Louis (photo, left). With school being off for Martin Luther King Day, it gave me a chance for a getaway to spend some quality time with my little sisters and seven nieces and nephews. + **VESTMENTS:** Recently, companies that make priests' liturgical vestments have added to their new designs some decorative items that are

quite tasteful and beautiful. Following this new trend, I have enhanced a few of my vestments. While the vestments I have are quite beautiful, I have to admit I always thought a few were

in need of "something." I did not know what exactly that "something" was until I ran across some very nice jeweled pieces (at minimal cost) at an antique mall (photo, left). When I saw them, I thought that they would be a nice way to enhance my vestments. I think I like how it looks. What do you think?

PARISH NEWS & NOTES

talks and video programs that explain the Catholic faith, explore the deepest meaning of marriage, and receive Bible studies on a variety of topics. And you'll find presenters like Dr. Tim Gray, Dr. Edward

Sri, Dr. Mary Healey, Chris Stefanick, Dr. Scott Hahn, and Bishop Robert Barron. They're all part of our parish subscription. It truly is the Catholic faith—on demand.

It's easy to get "formed": Go to www.FORMED.org. You should see the registration box for parishioners. Type in the parish code—**YX2P22**. Now set up a username and a password. Now you are all set to use all the great programs on FORMED.org anytime by simply logging in.

If you have any questions, please contact our director of religious education, Cody Egner.

Dresser Project 2016

For several years, our parish has generously contributed to a "dresser project." Through this project, we collect baby items that will be donated, through Pregnancy Center East, to a mother who has made the choice of life for her unborn child. Many parishioners find this to be a very positive way to express their support for the pro-life movement. This year's dresser can be found in the vestibule

with a list of suggested items. **We are collecting baby items from Jan. 16 through Feb. 7.** Your participation is most welcome and greatly appreciated!

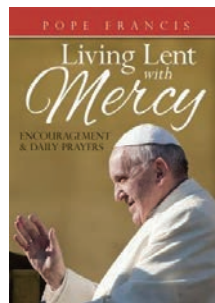

Palms to Be Collected

Every year before Ash Wednesday, we collect the palms from previous Palm Sunday services and then burn them as part of our closing of Ordinary Time. **Please bring in your palms, and place them in the bins that are located at all the doors.**

Palm-Burning Service

We are now just a week and a half away from the beginning of Lent. **To close out Ordinary Time, we will have a half-hour prayer service on Tuesday, Feb. 9, at 6:30 p.m., just before the annual Mardi Gras Ice Cream Social.**

This prayer service will include the solemn closing of the back altar doors, the addition of violet décor to the sanctuary and the singing of the last "Alleluia." The prayers will conclude with the burning of last year's palms. The ashes of the palms will be used for the Ash Wednesday Masses.

Lenten Meditation Books

Living Lent with Mercy meditation books will be available after the Masses next weekend. These "mercy books" contain brief daily meditations that will help you grow closer to Christ as you celebrate and experience God's mercy during this Lenten season.

Meet and Greet

Please join us for a **New Parishioner Meet & Greet Social** held after all the February 13-14 weekend Masses. We will meet up in the parish center (on Gilmore Ave., right behind the rectory). This is a great chance to meet other new parishioners and ask any questions you may have about the parish. There will be great food and drinks, and each family will receive a St. Cecilia welcome bag with lots of resources inside! To RSVP or if you have any questions, please contact Angela Egner at angelaegner15@gmail.com or (413) 854-7253.

CATHOLIC SCHOOLS WEEK

A New Strategic Initiative for the 2016-2017 School Year

- Dear Parishioners -

On Wednesday, Jan. 27, the Archdiocese of Cincinnati participated in a press conference where it was announced that St. Cecilia School has been awarded a \$500,000 grant through Seton Education Partners, a nonprofit organization committed to reviving and expanding opportunities for children in urban settings to receive an academically excellent and vibrantly Catholic education.

St. Cecilia School will be collaborating with Seton Education Partners (www.setonpartners.org) to help our students reach their full potential. This initiative will invest in excess of a half million dollars in our school and our students as it will help transform St. Cecilia into a blended learning academy that will achieve outstanding academic and character growth outcomes for our students. Seton's nationally recognized program places an emphasis on the interplay between personalized software and data-driven, small-group instruction. The investment in our school will include new computers, tech infrastructure, materials, digital content, and training for teachers and staff.

The faculty, staff, and I have spent close to a year pursuing this initiative, and we are excited to have been chosen to work with Seton Education Partners and become one of only a dozen schools within their network nationally. We are confident that utilizing a teaching model that fosters individual learning by bridging traditional and small-group instruction with enhanced technology will improve student achievement at all levels.

This partnership is made possible through a generous grant from Accelerate Great Schools, an organization that shares Seton's and St. Cecilia's passion for student success. Accelerate Great Schools provides much needed funding to kickstart innovative educational programs that have demonstrated great results.

This is wonderful news for our school! The selection process was very competitive, and we feel blessed to have this opportunity as we see the potential for it to inspire and help each and every one of our school children.

Mike Goedde
Principal, St. Cecilia School

CATHOLIC SCHOOLS WEEK

CATHOLIC SCHOOLS WEEK

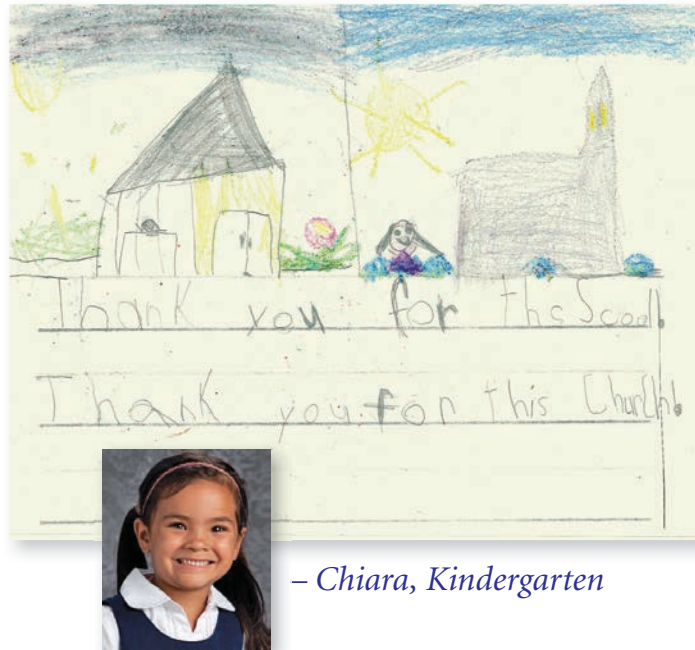

To the Parish of St. Cecilia, thank you for your continual support of our school. Your prayers and financial assistance are appreciated. You **ARE** making a difference in our lives through the education we receive!

I love St. Cecilia because I get to pray and go to church. I get to learn about God.
– Andy, Grade 3

I am really thankful to be getting a Catholic education because now I know more about Jesus. St. Cecilia makes me feel at home.

– Jorge, Grade 4

When I first came to St. Cecilia my grandma said to me, “Going to a Catholic school will help you when times get hard and you think you are alone.” I didn’t really understand what she meant back then. Now I do. – Paige, Grade 6

– Chiara, Kindergarten

My favorite thing about St. Cecilia School is the teachers because they are fun, kind, and creative. They make us joyful when we are gloomy, they inspire us to learn, they make us laugh, and they always try new things.

– Elizabeth, Grade 5

I am most thankful for this school year. The education and academics have increased for the students. Teachers are more focused on the students’ education. Students try harder and to keep up their grades and to finish the year in a happy way. – Manuel, Grade 7

I have been attending St. Cecilia for 9 years. One reason St. Cecilia is special to me is because not only do our teachers teach, but they inspire us to be the best versions of ourselves. At St. Cecilia you get many opportunities you would not get at other schools. There are opportunities to participate in school masses, after school activities, educational activities, and much more. This school has not only helped me as a student, but it has helped build me as a person. I am very thankful to have been part of the St. Cecilia community for so long. – Brooklynn, Grade 8
